How to Draw Birthday Cake — Free Practice Sheets

REFERENCE / CASE 1

birthday cake: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

METHOD: Draw a wide oval for the plate and a smaller oval above it for the cake's top surface. Connect the top oval to a lower curved line to form the cylindrical side of the cake, then add a wavy line for the frosting drip. Place a vertical candle in the center of the top oval, adding a flame shape above and diagonal stripes on the candle body. Add six small piped swirls around the top edge, then draw the plate rim as a larger oval outline around the base.
Use the separate practice sheet before checking the answer.
