How to Draw Sandwich — Free Practice Sheets

REFERENCE / CASE 1

sandwich: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

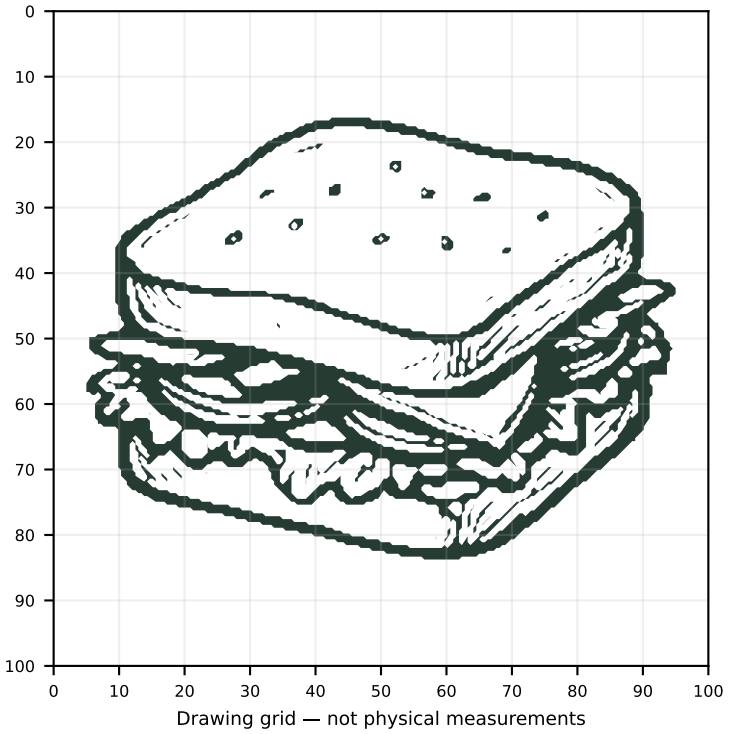

METHOD: Draw the top bread slice as a rounded rectangle in perspective, then add small dots for seeds. Sketch the side crust band of the top slice and the lower bread slice outline to establish the sandwich height. Between the two bread outlines, draw overlapping wavy lettuce leaves protruding at the edges. Add round filling slices and a folded pale layer inside the gap, then finish the bottom crust edge with short hatch lines.
Use the separate practice sheet before checking the answer.

How to Draw Sandwich — Free Practice Sheets

REFERENCE / CASE 2

sandwich: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

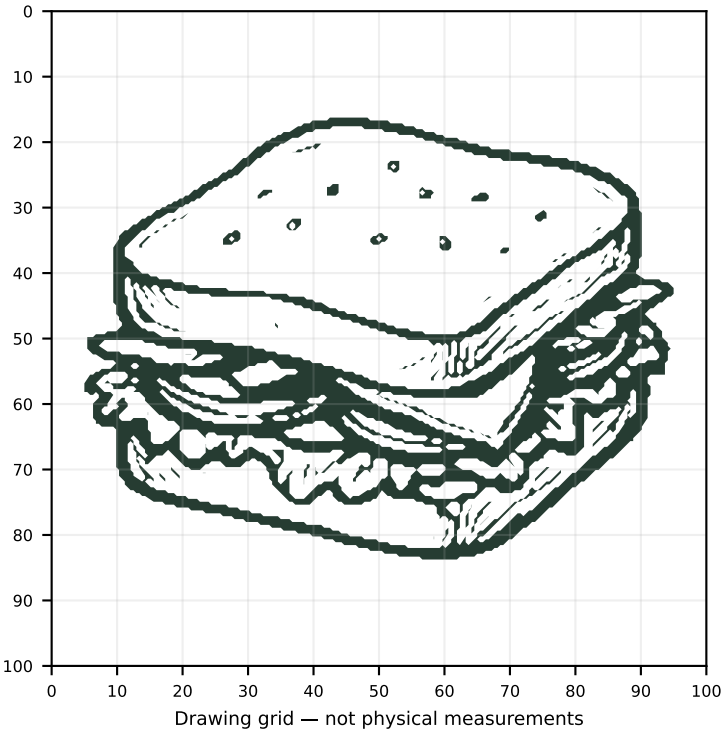

METHOD: Draw the top bread slice as a rounded rectangle in perspective, then add small dots for seeds. Sketch the side crust band of the top slice and the lower bread slice outline to establish the sandwich height. Between the two bread outlines, draw overlapping wavy lettuce leaves protruding at the edges. Add round filling slices and a folded pale layer inside the gap, then finish the bottom crust edge with short hatch lines.
Use the separate practice sheet before checking the answer.

How to Draw Sandwich — Free Practice Sheets

REFERENCE / CASE 3

sandwich: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

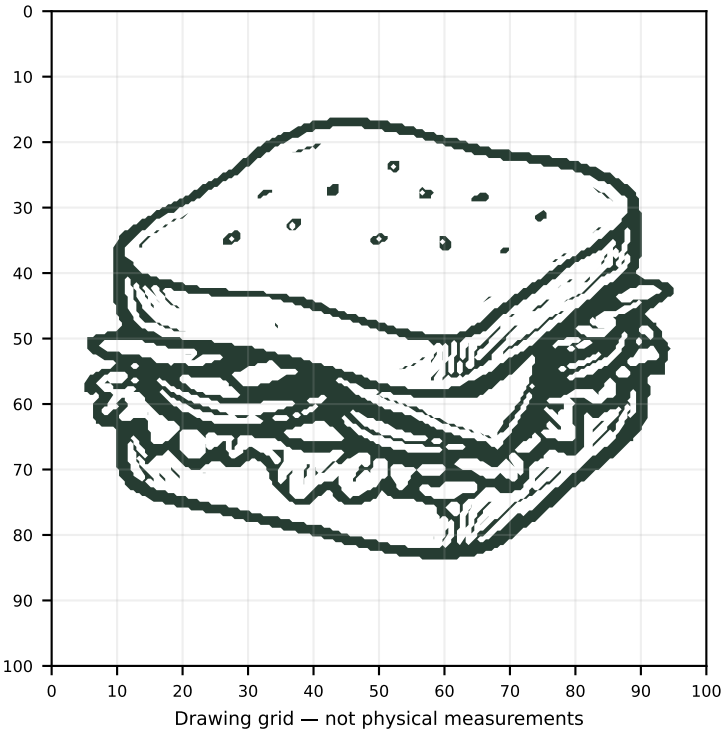

METHOD: Draw the top bread slice as a rounded rectangle in perspective, then add small dots for seeds. Sketch the side crust band of the top slice and the lower bread slice outline to establish the sandwich height. Between the two bread outlines, draw overlapping wavy lettuce leaves protruding at the edges. Add round filling slices and a folded pale layer inside the gap, then finish the bottom crust edge with short hatch lines.
Use the separate practice sheet before checking the answer.

How to Draw Sandwich — Free Practice Sheets

REFERENCE / CASE 4

sandwich: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the top bread slice as a rounded rectangle in perspective, then add small dots for seeds. Sketch the side crust band of the top slice and the lower bread slice outline to establish the sandwich height. Between the two bread outlines, draw overlapping wavy lettuce leaves protruding at the edges. Add round filling slices and a folded pale layer inside the gap, then finish the bottom crust edge with short hatch lines.
Use the separate practice sheet before checking the answer.
