How to Draw Pancake — Free Practice Sheets

ANSWER / CASE 1

pancake: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

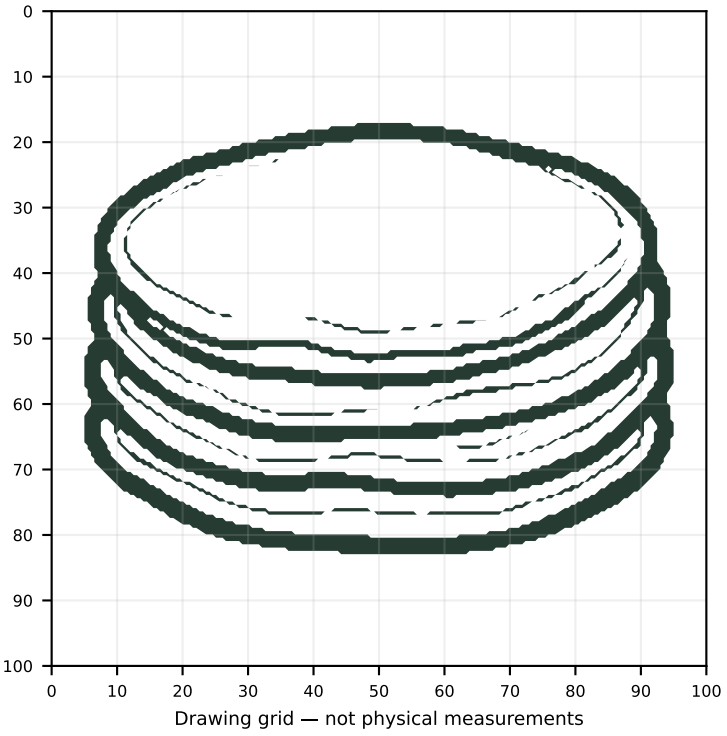

ANSWER: Example solution: preserve flat round stack of four pancake layers, wavy horizontal edges between layers, slightly domed top pancake surface. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a wide, slightly domed oval for the top pancake surface.
2. Add three wavy horizontal bands below the top oval to form the stacked layers.
3. Outline the bottom edge with a curved line to close the stack silhouette.
4. Optionally add small dots on the top surface for texture.
