How to Draw Apple — Free Practice Sheets

REFERENCE / CASE 1

apple: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

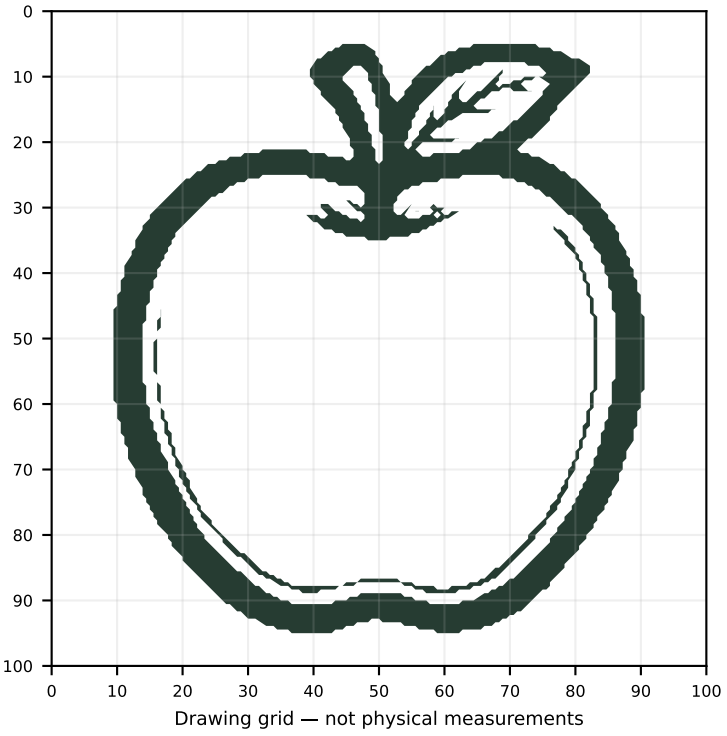

METHOD: Draw a large rounded outline that is wider at the top and narrows slightly toward the bottom. Add a small inward dimple at the top center of the body. Draw a short stem rising from the dimple. Attach one leaf to the stem and add a simple inner vein line.
Use the separate practice sheet before checking the answer.

How to Draw Apple — Free Practice Sheets

REFERENCE / CASE 2

apple: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

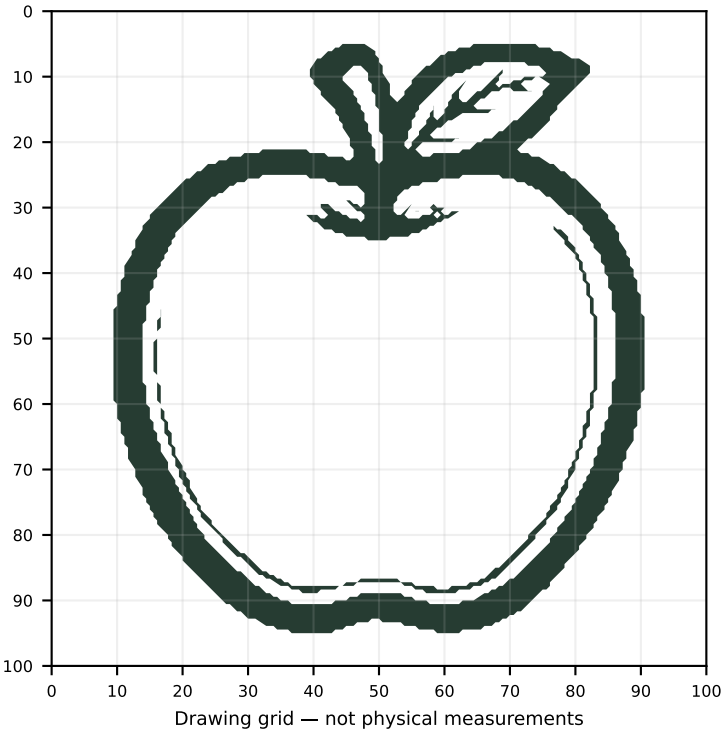

METHOD: Draw a large rounded outline that is wider at the top and narrows slightly toward the bottom. Add a small inward dimple at the top center of the body. Draw a short stem rising from the dimple. Attach one leaf to the stem and add a simple inner vein line.
Use the separate practice sheet before checking the answer.
