How to Draw Chicken Wing — Free Practice Sheets

REFERENCE / CASE 1

chicken wing: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

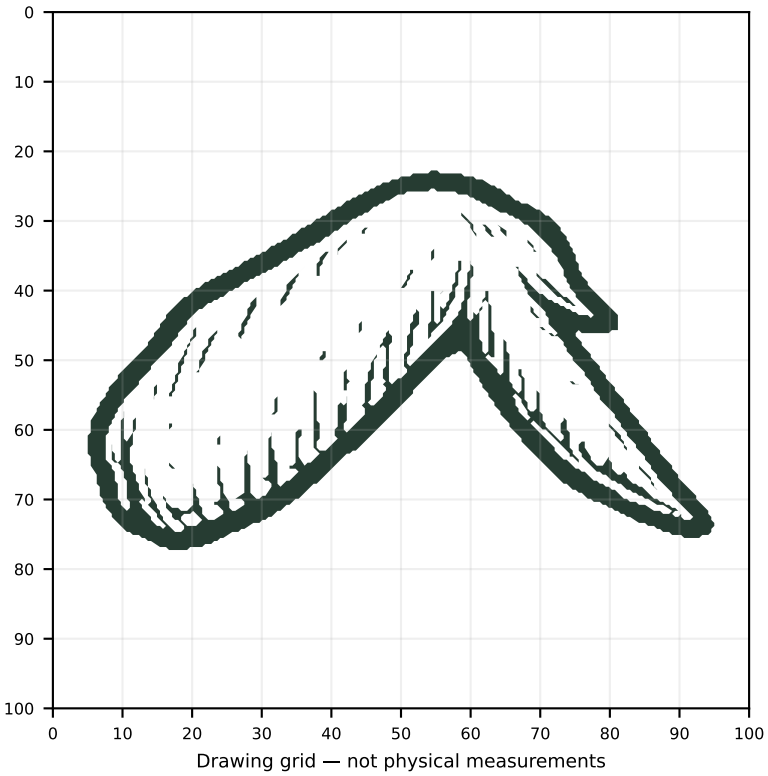

METHOD: Draw a thick curved outline for the rounded upper wing section. Extend a narrower tapered shape downward from the right side to form the wing tip. Add short parallel hatch lines across the surface to indicate skin texture. Refine the outline with a bold contour and keep the interior linework light.
Use the separate practice sheet before checking the answer.
