How to Draw Cocktail — Free Practice Sheets

REFERENCE / CASE 1

cocktail: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

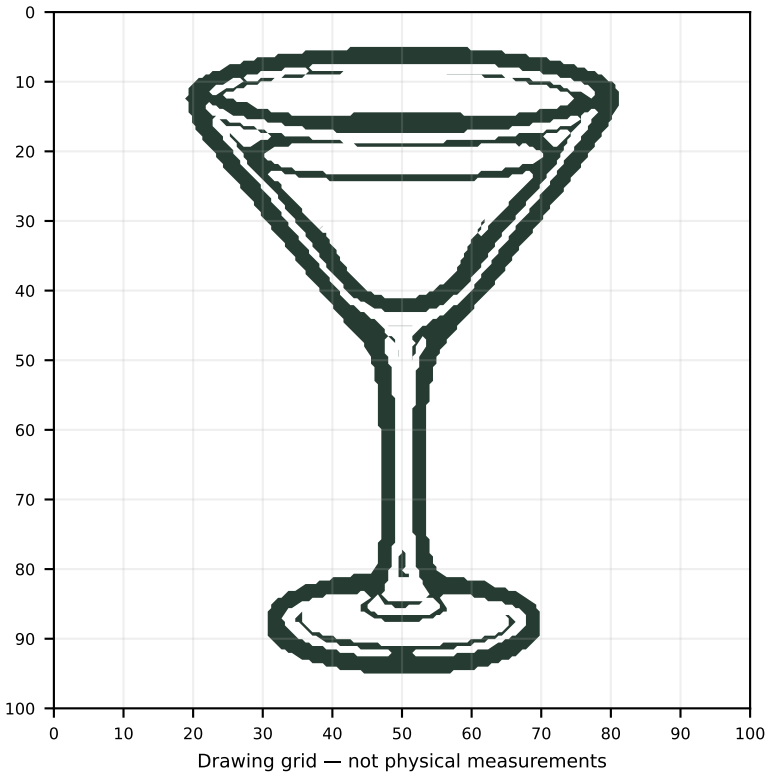

METHOD: Draw the elliptical rim of the glass as a wide oval. Connect the sides of the oval down to a point to form the V-shaped bowl. Add a horizontal line inside the bowl to indicate the liquid fill level. Draw a narrow stem down from the bowl and finish with a flat oval base.
Use the separate practice sheet before checking the answer.
