# How to Draw Waffle — Free Practice Sheets

## REFERENCE / CASE 1

waffle: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

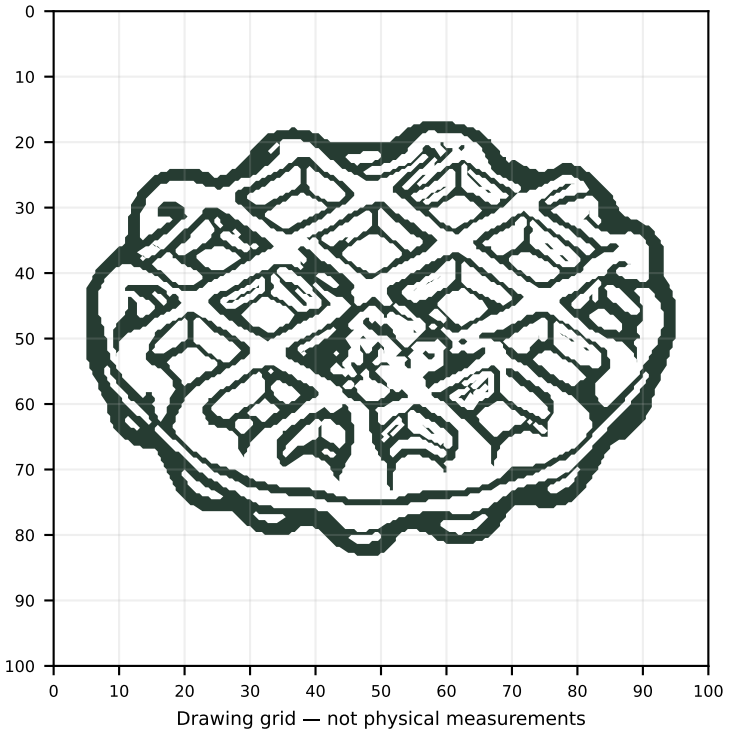

METHOD: Draw a rounded, scalloped oval outline for the waffle's outer edge. Add a parallel inner line to show the raised rim and side thickness. Draw a grid of intersecting lines across the interior to form square pockets. Shade or add short lines inside the pockets to suggest depth and the waffle texture.
Use the separate practice sheet before checking the answer.

# How to Draw Waffle — Free Practice Sheets

## REFERENCE / CASE 2

waffle: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

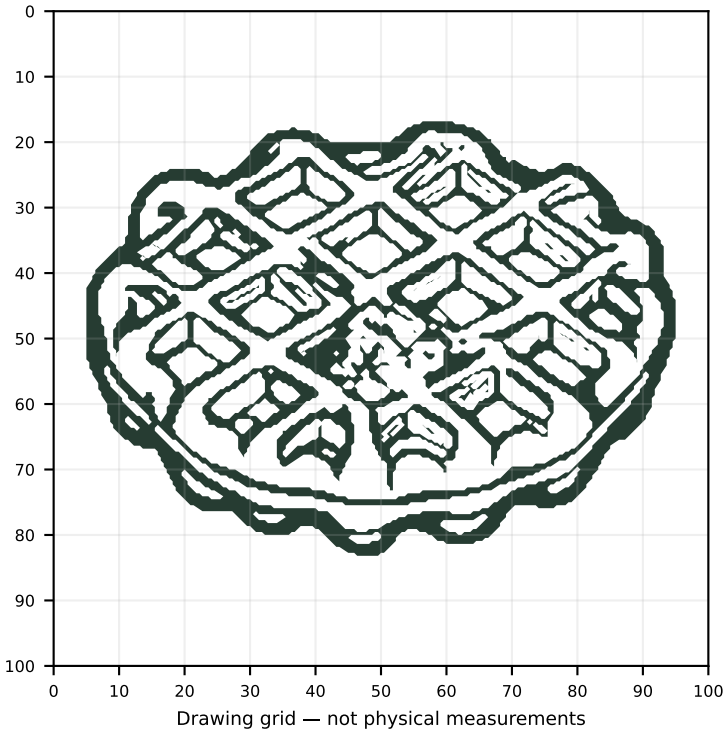

METHOD: Draw a rounded, scalloped oval outline for the waffle's outer edge. Add a parallel inner line to show the raised rim and side thickness. Draw a grid of intersecting lines across the interior to form square pockets. Shade or add short lines inside the pockets to suggest depth and the waffle texture.
Use the separate practice sheet before checking the answer.

# How to Draw Waffle — Free Practice Sheets

**REFERENCE / CASE 3**

waffle: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

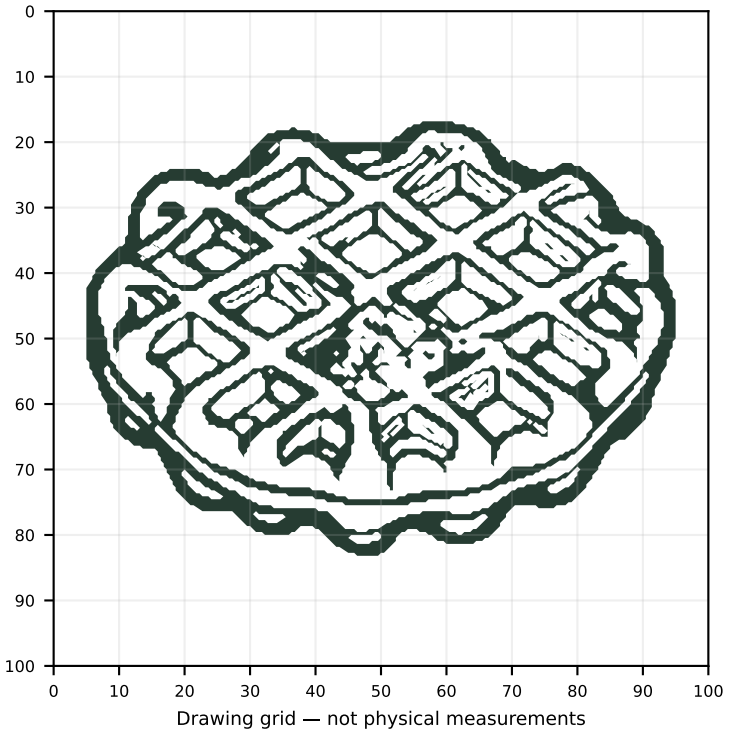

METHOD: Draw a rounded, scalloped oval outline for the waffle's outer edge. Add a parallel inner line to show the raised rim and side thickness. Draw a grid of intersecting lines across the interior to form square pockets. Shade or add short lines inside the pockets to suggest depth and the waffle texture.
Use the separate practice sheet before checking the answer.

# How to Draw Waffle — Free Practice Sheets

**REFERENCE / CASE 4**

waffle: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a rounded, scalloped oval outline for the waffle's outer edge. Add a parallel inner line to show the raised rim and side thickness. Draw a grid of intersecting lines across the interior to form square pockets. Shade or add short lines inside the pockets to suggest depth and the waffle texture.
Use the separate practice sheet before checking the answer.
