How to Draw Cracker — Free Practice Sheets

REFERENCE / CASE 1

cracker: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

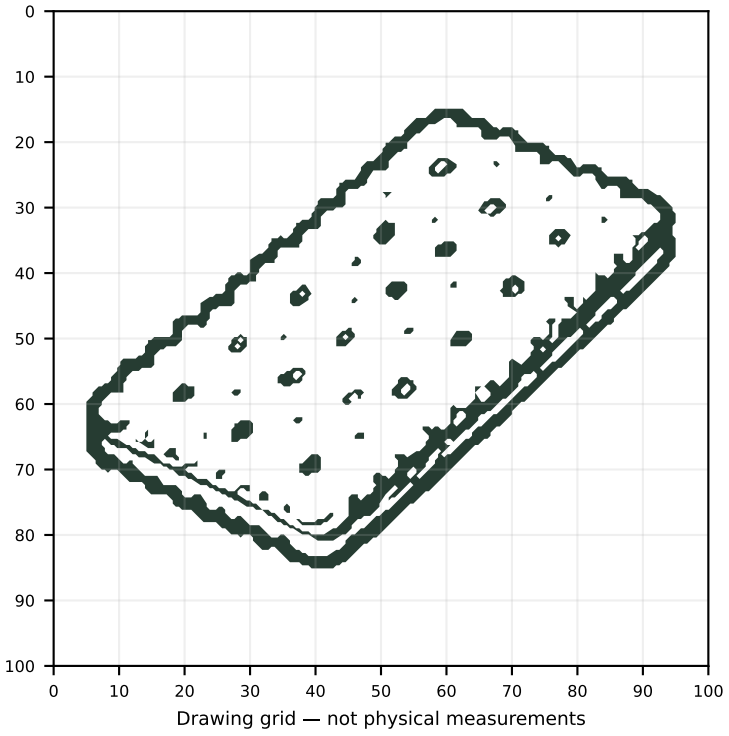

METHOD: Draw a slanted rectangle for the top face of the cracker. Add a scalloped or wavy border along the rectangle edges to show crisp texture. Draw a thin lower edge and side face beneath the rectangle to indicate thickness. Scatter small oval dots across the top surface for the holes.
Use the separate practice sheet before checking the answer.

How to Draw Cracker — Free Practice Sheets

REFERENCE / CASE 2

cracker: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

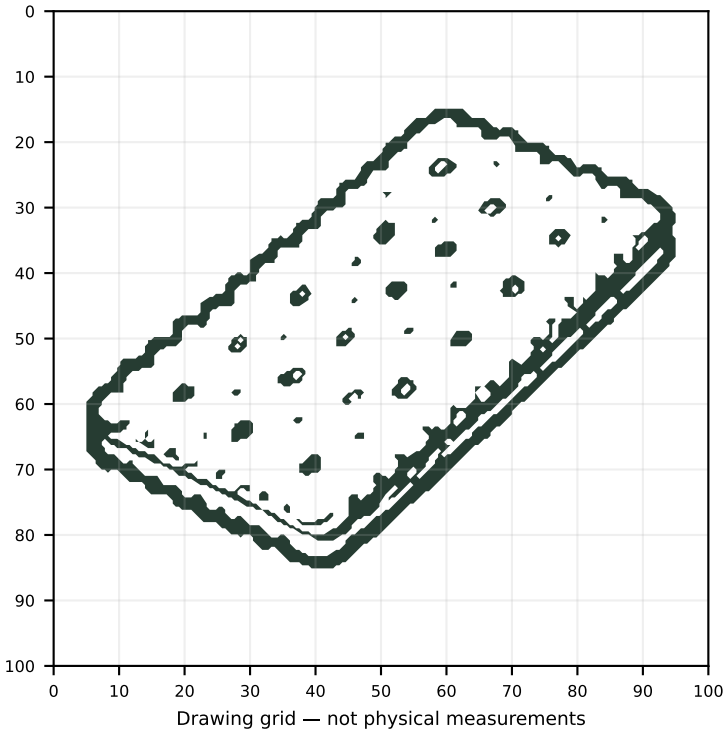

METHOD: Draw a slanted rectangle for the top face of the cracker. Add a scalloped or wavy border along the rectangle edges to show crisp texture. Draw a thin lower edge and side face beneath the rectangle to indicate thickness. Scatter small oval dots across the top surface for the holes.
Use the separate practice sheet before checking the answer.
