How to Draw Orange — Free Practice Sheets

ANSWER / CASE 1

orange: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

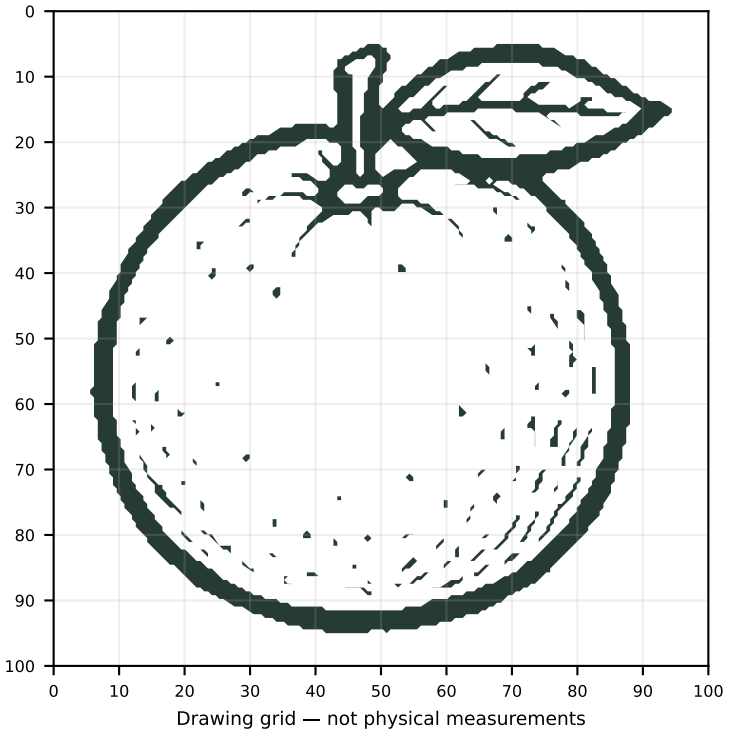

ANSWER: Example solution: preserve round sphere shape, dimpled peel texture indicated by small dots and short curved marks, stem with a single leaf on top. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large circle for the main body of the orange.
2. Add a short vertical stem at the top center of the circle.
3. Attach a single leaf extending to the right from the stem.
4. Scatter small dots and short curved dashes across the circle to suggest dimpled peel texture.

How to Draw Orange — Free Practice Sheets

ANSWER / CASE 2

orange: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

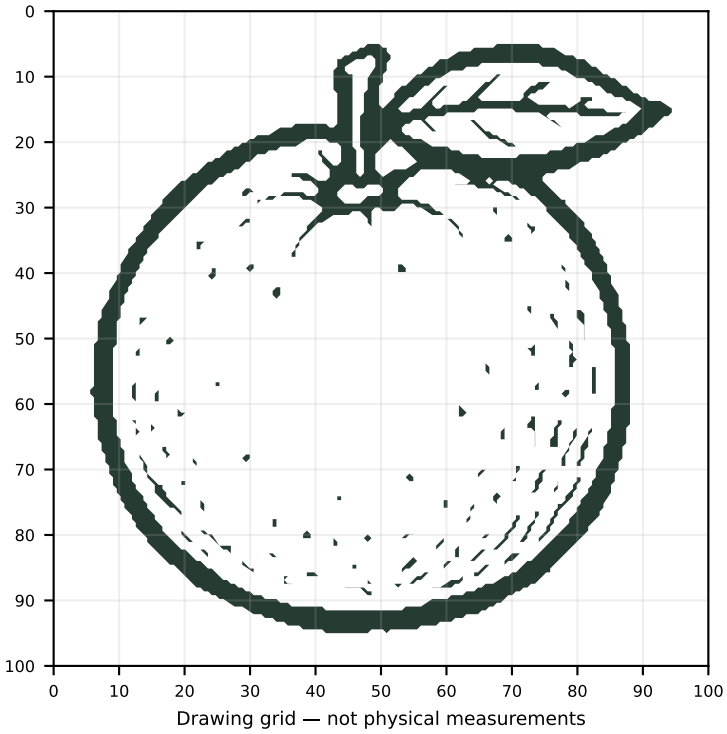

ANSWER: Example solution: preserve round sphere shape, dimpled peel texture indicated by small dots and short curved marks, stem with a single leaf on top. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large circle for the main body of the orange.
2. Add a short vertical stem at the top center of the circle.
3. Attach a single leaf extending to the right from the stem.
4. Scatter small dots and short curved dashes across the circle to suggest dimpled peel texture.

How to Draw Orange — Free Practice Sheets

ANSWER / CASE 3

orange: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

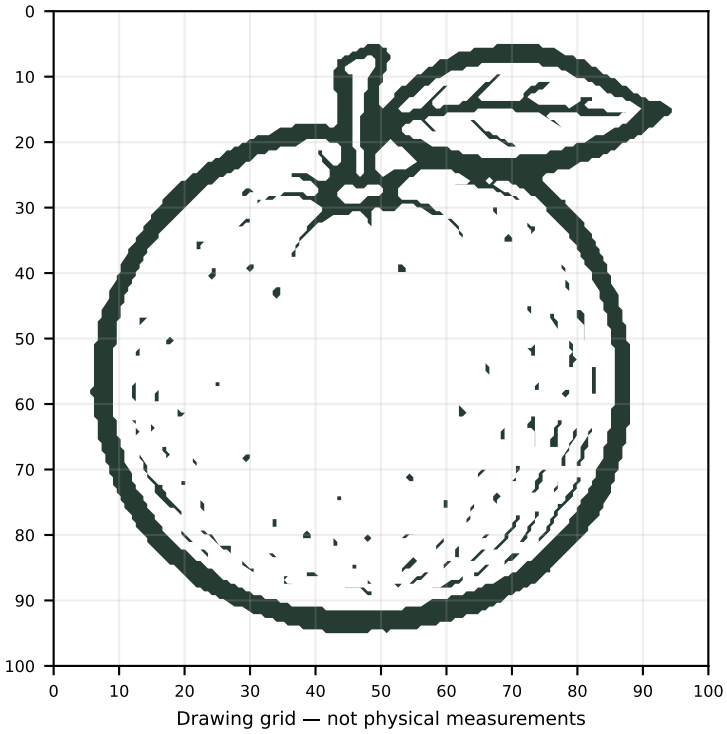

ANSWER: Example solution: preserve round sphere shape, dimpled peel texture indicated by small dots and short curved marks, stem with a single leaf on top. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large circle for the main body of the orange.
2. Add a short vertical stem at the top center of the circle.
3. Attach a single leaf extending to the right from the stem.
4. Scatter small dots and short curved dashes across the circle to suggest dimpled peel texture.

How to Draw Orange — Free Practice Sheets

ANSWER / CASE 4

orange: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve round sphere shape, dimpled peel texture indicated by small dots and short curved marks, stem with a single leaf on top. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large circle for the main body of the orange.
2. Add a short vertical stem at the top center of the circle.
3. Attach a single leaf extending to the right from the stem.
4. Scatter small dots and short curved dashes across the circle to suggest dimpled peel texture.
