How to Draw Bratwurst — Free Practice Sheets

ANSWER / CASE 1

bratwurst: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

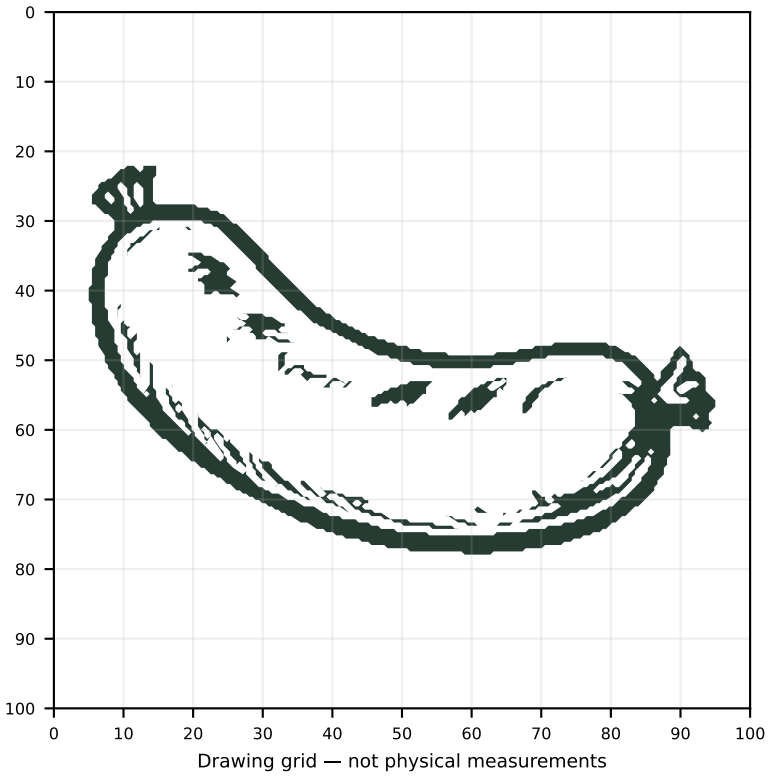

ANSWER: Example solution: preserve elongated curved sausage body, rounded ends with tied/knotted tips, short diagonal grill/score marks along the top surface. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a long, gently curved capsule outline for the sausage body.
2. Add small tied-off knot shapes at both ends.
3. Sketch short diagonal score marks across the upper surface.
4. Outline the lower edge with a thicker line to suggest volume.

How to Draw Bratwurst — Free Practice Sheets

ANSWER / CASE 2

bratwurst: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

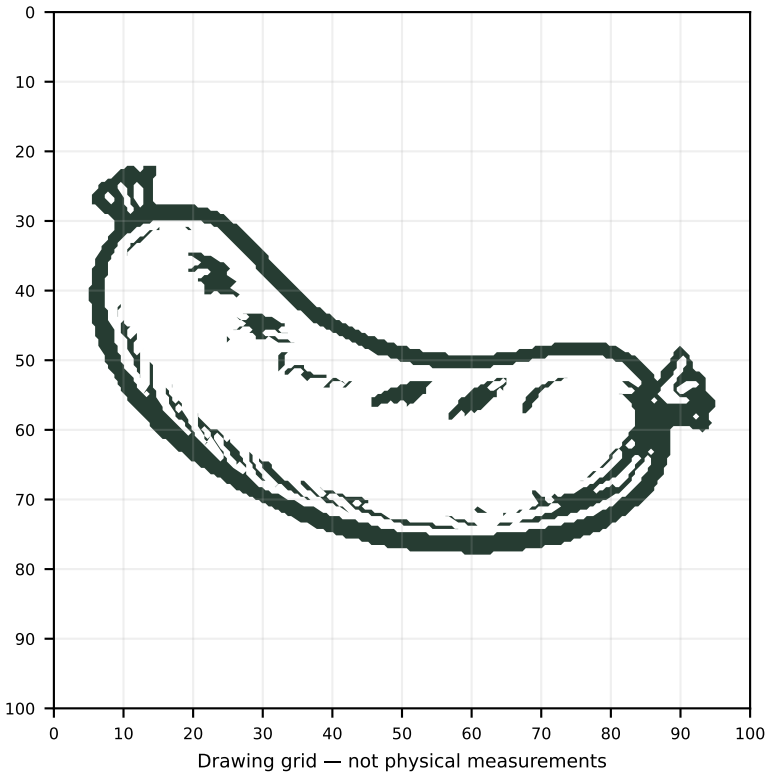

ANSWER: Example solution: preserve elongated curved sausage body, rounded ends with tied/knotted tips, short diagonal grill/score marks along the top surface. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw a long, gently curved capsule outline for the sausage body.
2. Add small tied-off knot shapes at both ends.
3. Sketch short diagonal score marks across the upper surface.
4. Outline the lower edge with a thicker line to suggest volume.

How to Draw Bratwurst — Free Practice Sheets

ANSWER / CASE 3

bratwurst: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

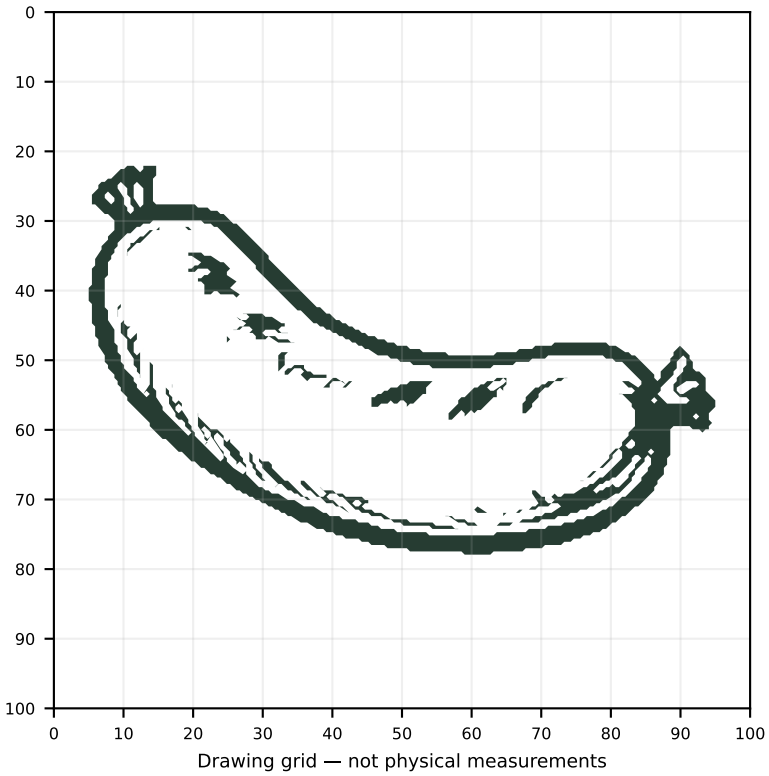

ANSWER: Example solution: preserve elongated curved sausage body, rounded ends with tied/knotted tips, short diagonal grill/score marks along the top surface. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a long, gently curved capsule outline for the sausage body.
2. Add small tied-off knot shapes at both ends.
3. Sketch short diagonal score marks across the upper surface.
4. Outline the lower edge with a thicker line to suggest volume.

How to Draw Bratwurst — Free Practice Sheets

ANSWER / CASE 4

bratwurst: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve elongated curved sausage body, rounded ends with tied/knotted tips, short diagonal grill/score marks along the top surface. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a long, gently curved capsule outline for the sausage body.
2. Add small tied-off knot shapes at both ends.
3. Sketch short diagonal score marks across the upper surface.
4. Outline the lower edge with a thicker line to suggest volume.
