How to Draw Deviled Egg — Free Practice Sheets

ANSWER / CASE 1

deviled egg: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

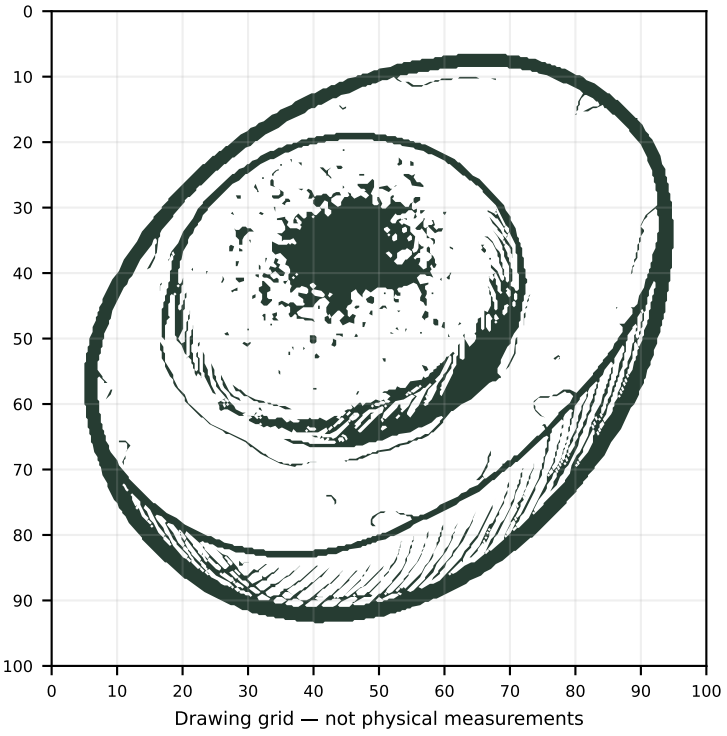

ANSWER: Example solution: preserve Large oval outer white half with a thick dark outline, Inner rounded oval representing the yolk filling, centered within the white, Dark speckled cluster on top of the yolk area representing paprika. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large tilted oval for the outer egg white half with a thick outline.
2. Draw a smaller rounded oval inside it, centered, to define the yolk filling boundary.
3. Add a dense cluster of small speckles on top of the yolk to represent paprika.
4. Add short hatching lines along the lower inner edge of the white for shading, then refine the outlines.

How to Draw Deviled Egg — Free Practice Sheets

ANSWER / CASE 2

deviled egg: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

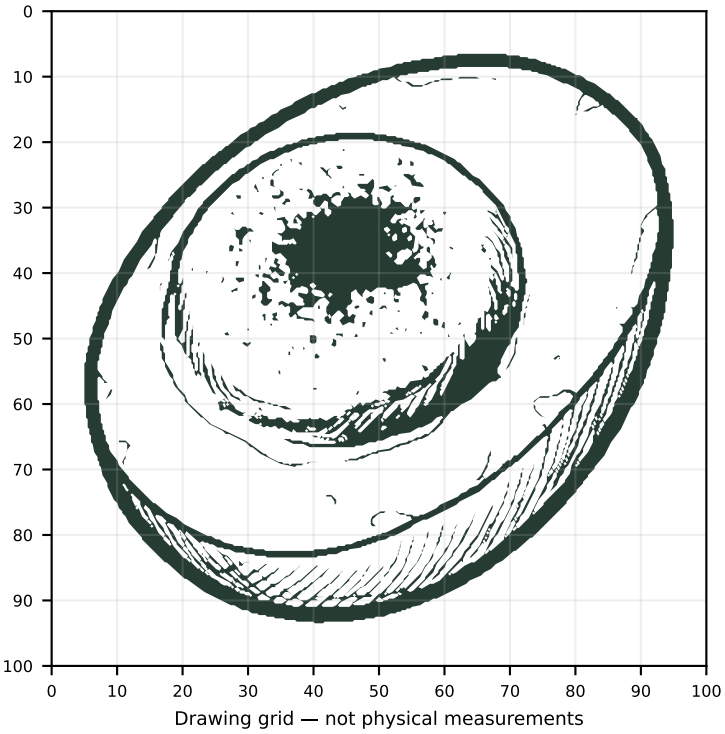

ANSWER: Example solution: preserve Large oval outer white half with a thick dark outline, Inner rounded oval representing the yolk filling, centered within the white, Dark speckled cluster on top of the yolk area representing paprika. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large tilted oval for the outer egg white half with a thick outline.
2. Draw a smaller rounded oval inside it, centered, to define the yolk filling boundary.
3. Add a dense cluster of small speckles on top of the yolk to represent paprika.
4. Add short hatching lines along the lower inner edge of the white for shading, then refine the outlines.

How to Draw Deviled Egg — Free Practice Sheets

ANSWER / CASE 3

deviled egg: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

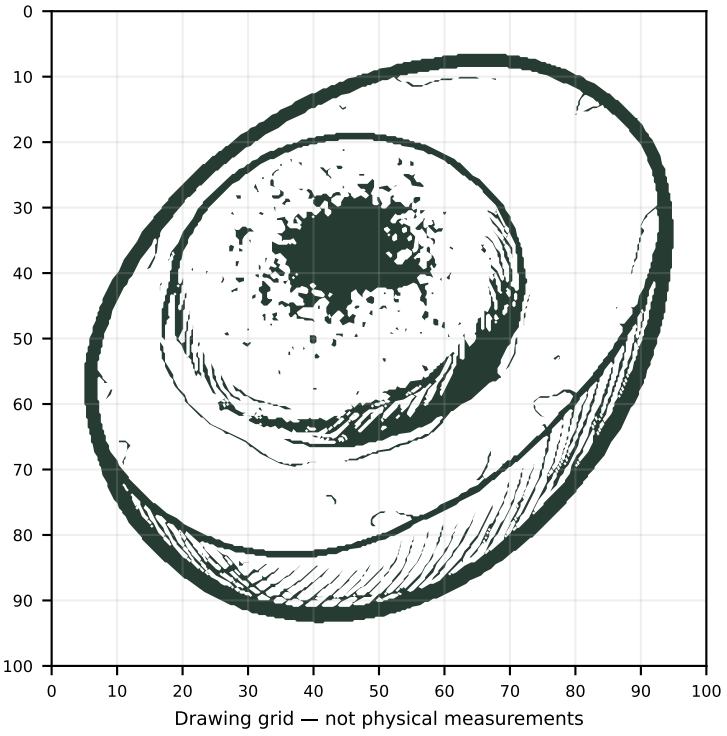

ANSWER: Example solution: preserve Large oval outer white half with a thick dark outline, Inner rounded oval representing the yolk filling, centered within the white, Dark speckled cluster on top of the yolk area representing paprika. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large tilted oval for the outer egg white half with a thick outline.
2. Draw a smaller rounded oval inside it, centered, to define the yolk filling boundary.
3. Add a dense cluster of small speckles on top of the yolk to represent paprika.
4. Add short hatching lines along the lower inner edge of the white for shading, then refine the outlines.

How to Draw Deviled Egg — Free Practice Sheets

ANSWER / CASE 4

deviled egg: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve Large oval outer white half with a thick dark outline, Inner rounded oval representing the yolk filling, centered within the white, Dark speckled cluster on top of the yolk area representing paprika. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large tilted oval for the outer egg white half with a thick outline.
2. Draw a smaller rounded oval inside it, centered, to define the yolk filling boundary.
3. Add a dense cluster of small speckles on top of the yolk to represent paprika.
4. Add short hatching lines along the lower inner edge of the white for shading, then refine the outlines.
