How to Draw Milkshake — Free Practice Sheets

REFERENCE / CASE 1

milkshake: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

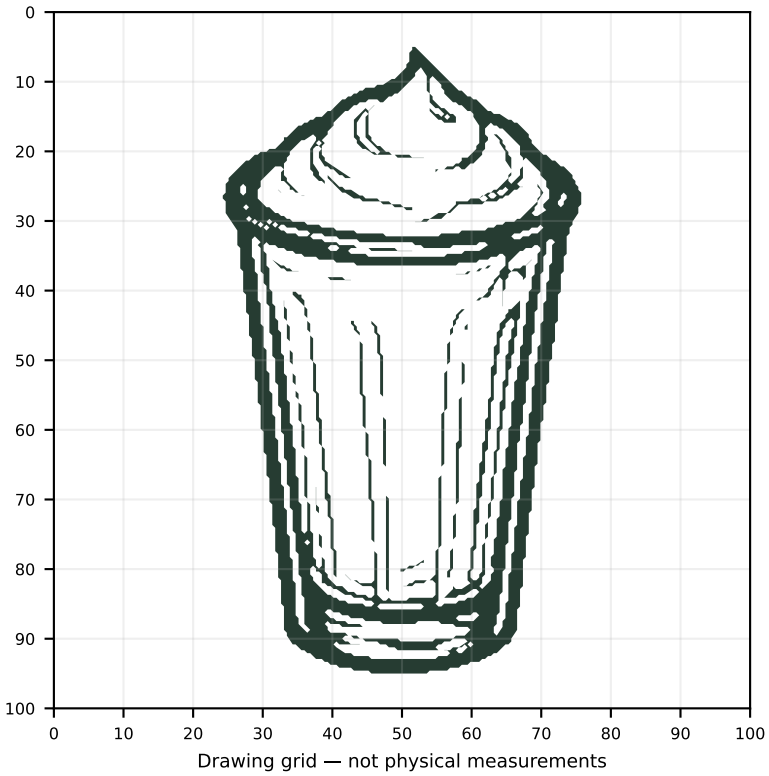

METHOD: Draw the tall tapered glass body with a thick elliptical rim. Add the whipped cream mound above the rim, building it as a spiral swirl with a pointed peak. Draw vertical curved lines inside the glass to indicate reflections and glass thickness. Add a rounded base line at the bottom of the glass to close the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Milkshake — Free Practice Sheets

REFERENCE / CASE 2

milkshake: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

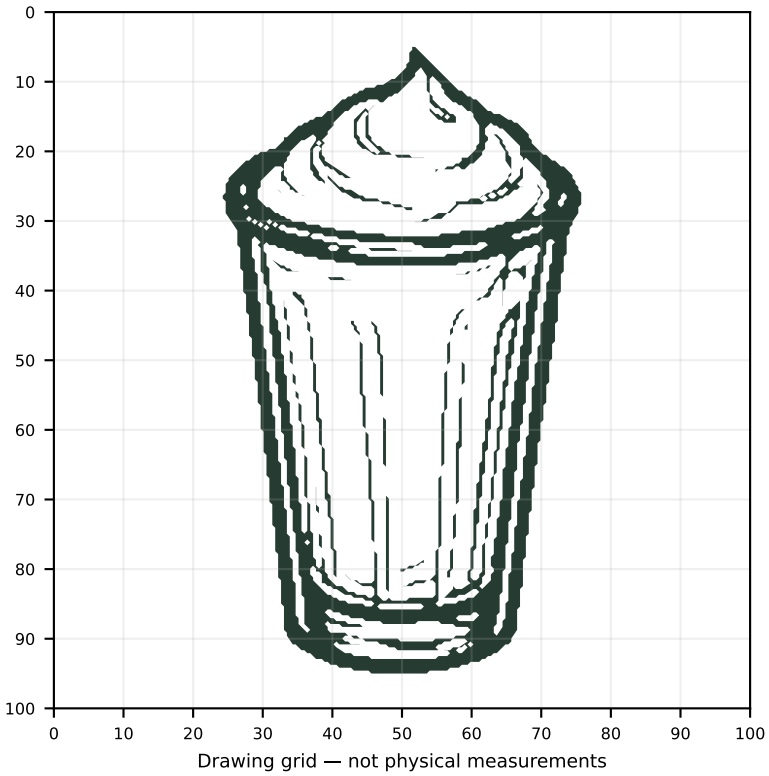

METHOD: Draw the tall tapered glass body with a thick elliptical rim. Add the whipped cream mound above the rim, building it as a spiral swirl with a pointed peak. Draw vertical curved lines inside the glass to indicate reflections and glass thickness. Add a rounded base line at the bottom of the glass to close the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Milkshake — Free Practice Sheets

REFERENCE / CASE 3

milkshake: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

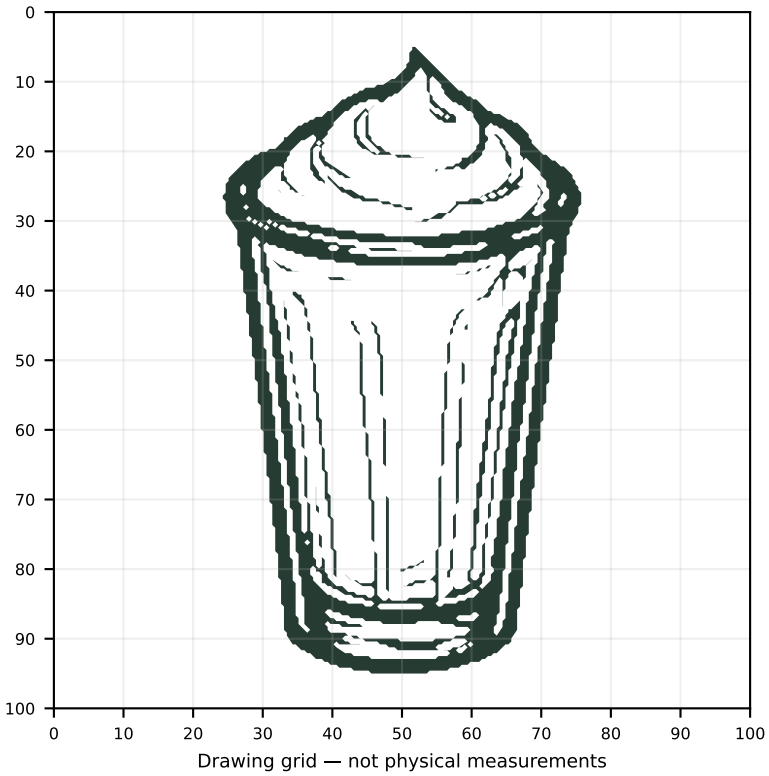

METHOD: Draw the tall tapered glass body with a thick elliptical rim. Add the whipped cream mound above the rim, building it as a spiral swirl with a pointed peak. Draw vertical curved lines inside the glass to indicate reflections and glass thickness. Add a rounded base line at the bottom of the glass to close the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Milkshake — Free Practice Sheets

REFERENCE / CASE 4

milkshake: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the tall tapered glass body with a thick elliptical rim. Add the whipped cream mound above the rim, building it as a spiral swirl with a pointed peak. Draw vertical curved lines inside the glass to indicate reflections and glass thickness. Add a rounded base line at the bottom of the glass to close the silhouette.
Use the separate practice sheet before checking the answer.
