How to Draw Peach — Free Practice Sheets

ANSWER / CASE 1

peach: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

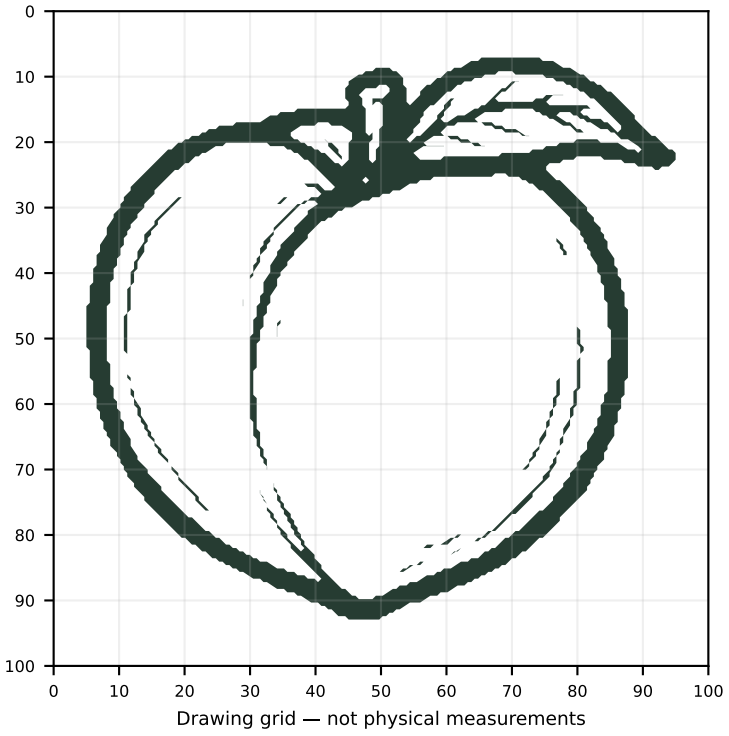

ANSWER: Example solution: preserve round, slightly heart-shaped fuzzy body outline, vertical cleft crease running down the front, leaf attached at the top stem. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw a large rounded heart-like outline for the peach body.
2. Add a curved vertical line down the center to form the cleft crease.
3. Draw a short stem at the top center.
4. Attach a leaf to the stem and add simple vein lines inside it.
