How to Draw Pizza — Free Practice Sheets

REFERENCE / CASE 1

pizza: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

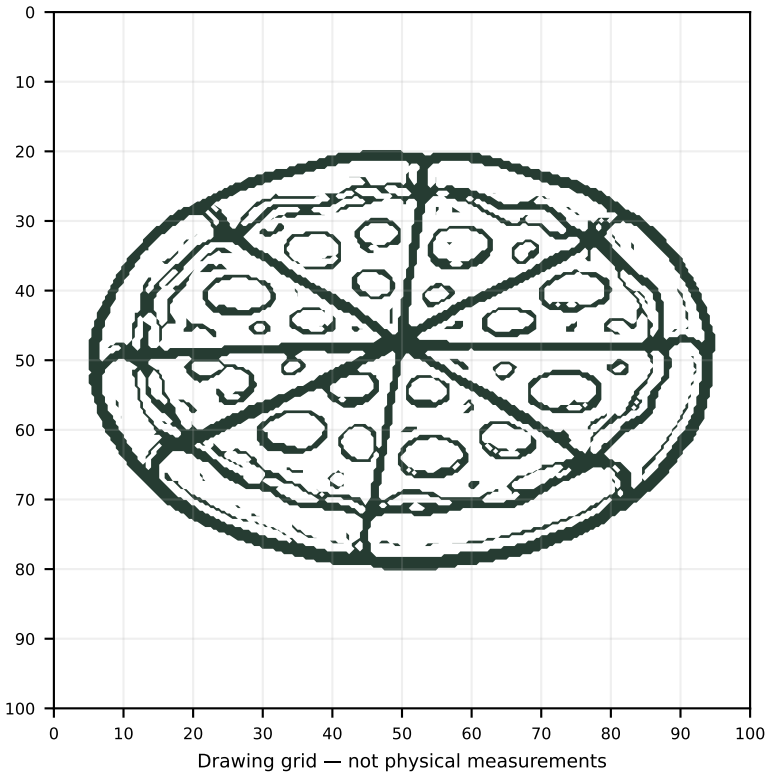

METHOD: Draw a large oval for the pizza base and a slightly smaller inner oval for the crust rim. Add radial lines from the center to the crust edge to divide the pizza into triangular slices. Draw scattered circular toppings across the cheese area. Outline the crust with a double line and add small curved marks for texture.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

pizza: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

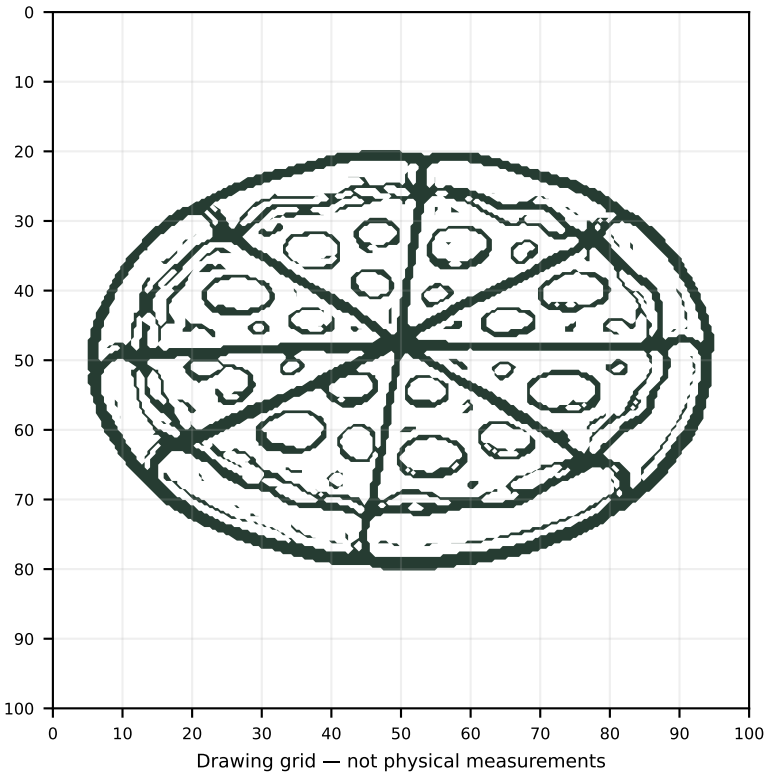

METHOD: Draw a large oval for the pizza base and a slightly smaller inner oval for the crust rim. Add radial lines from the center to the crust edge to divide the pizza into triangular slices. Draw scattered circular toppings across the cheese area. Outline the crust with a double line and add small curved marks for texture.
Use the separate practice sheet before checking the answer.

How to Draw Pizza — Free Practice Sheets

REFERENCE / CASE 3

pizza: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

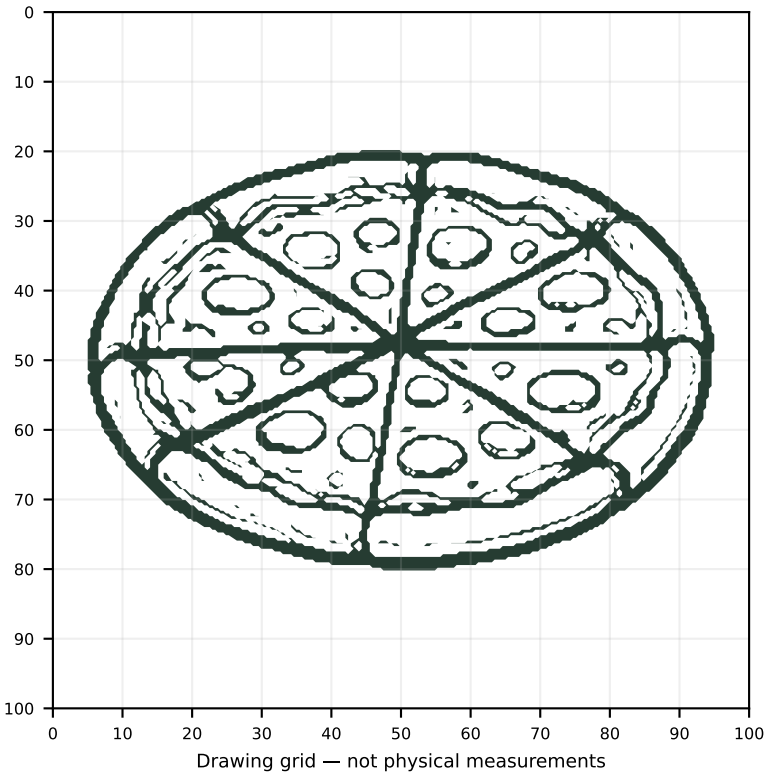

METHOD: Draw a large oval for the pizza base and a slightly smaller inner oval for the crust rim. Add radial lines from the center to the crust edge to divide the pizza into triangular slices. Draw scattered circular toppings across the cheese area. Outline the crust with a double line and add small curved marks for texture.
Use the separate practice sheet before checking the answer.

How to Draw Pizza — Free Practice Sheets

REFERENCE / CASE 4

pizza: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large oval for the pizza base and a slightly smaller inner oval for the crust rim. Add radial lines from the center to the crust edge to divide the pizza into triangular slices. Draw scattered circular toppings across the cheese area. Outline the crust with a double line and add small curved marks for texture.
Use the separate practice sheet before checking the answer.
