How to Draw Candy Corn — Free Practice Sheets

REFERENCE / CASE 1

candy corn: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

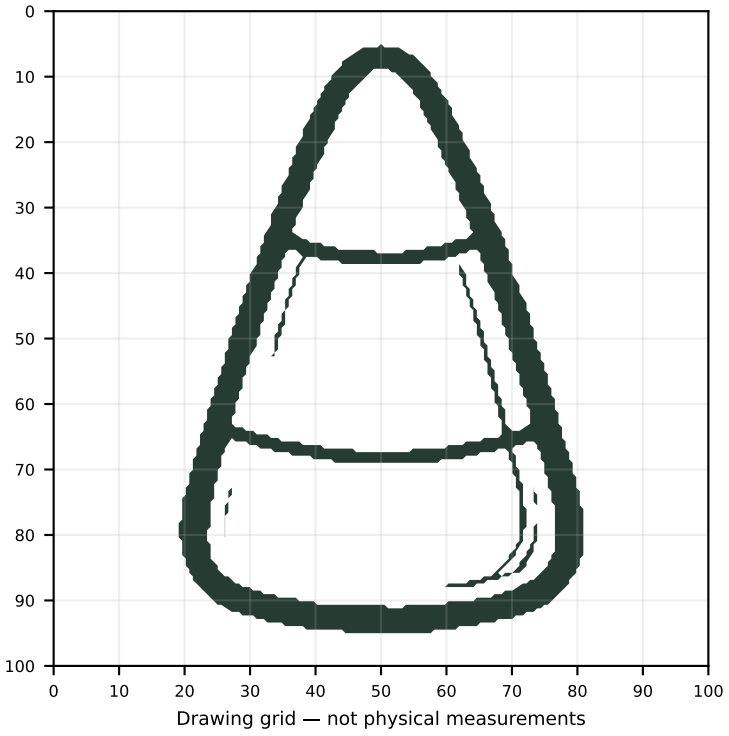

METHOD: Draw a rounded triangle that is wide at the bottom and tapers to a rounded point at the top. Add a horizontal curved line across the upper third to separate the top band from the middle band. Add a second horizontal curved line across the lower third to separate the middle band from the base band. Outline the full shape with a thick contour and add short interior highlight strokes along the sides and base.
Use the separate practice sheet before checking the answer.
