How to Draw Chicken Drumstick — Free Practice Sheets

REFERENCE / CASE 1

chicken drumstick: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

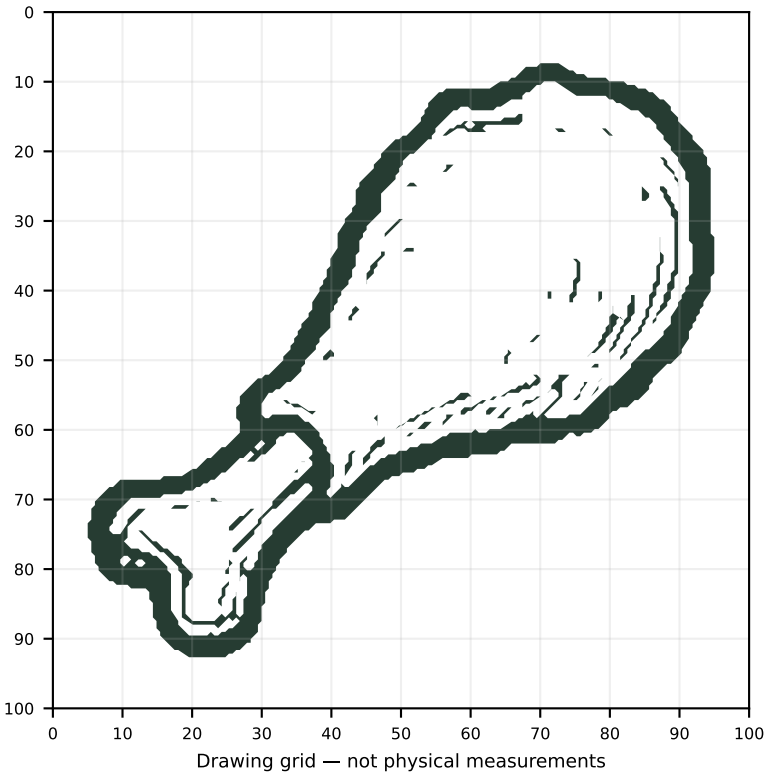

METHOD: Draw a large rounded teardrop shape for the meat, wider at the top and narrowing toward the lower left. At the narrow end, add a short cylindrical bone segment extending outward. Cap the bone with a small rounded knob to show the joint end. Outline the full contour with a thick border and add light interior hatch marks for texture.
Use the separate practice sheet before checking the answer.
