How to Draw Cheese Wedge — Free Practice Sheets

REFERENCE / CASE 1

cheese wedge: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

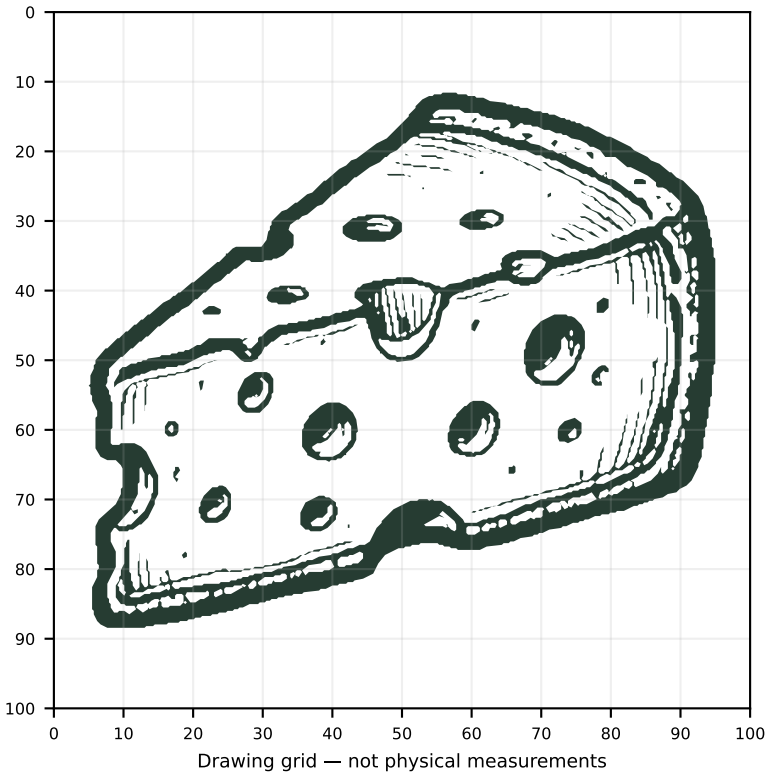

METHOD: Draw the overall triangular wedge outline with a thick rind border along the back and bottom edges. Add the front face outline with a wavy, notched bite mark on the left side. Place several circular holes across the front and top faces, varying their sizes. Outline the rind edge with a double line and add small hatch marks for texture.
Use the separate practice sheet before checking the answer.
