How to Draw Croissant — Free Practice Sheets

REFERENCE / CASE 1

croissant: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

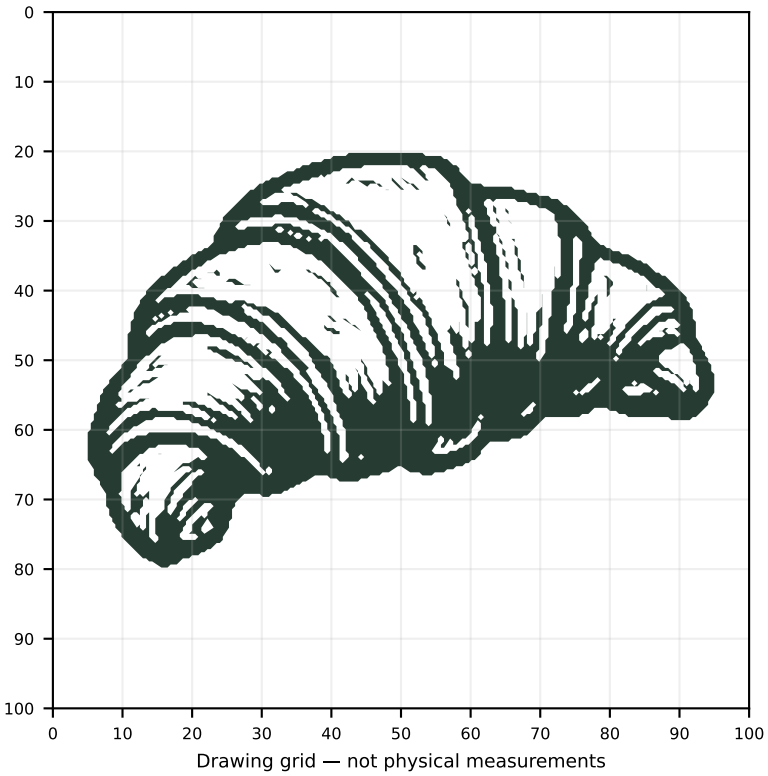

METHOD: Draw a thick crescent outline with a rounded left end and a tapered right tip. Add 3-4 curved band lines across the body to mark rolled segments. Draw short diagonal hatch lines within each segment to suggest flaky texture. Thicken the outer contour and add a small curled tip at the left end.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

croissant: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

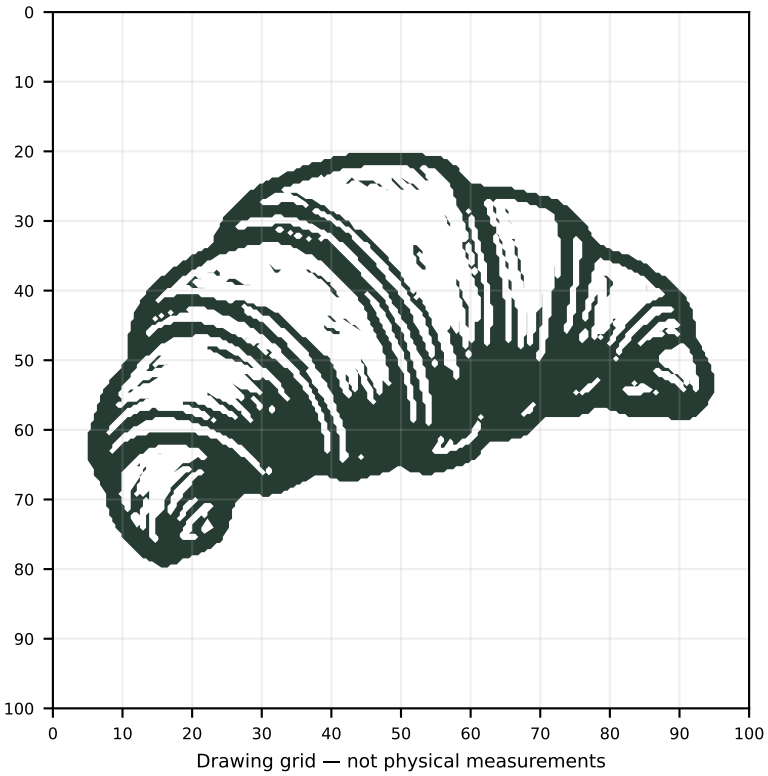

METHOD: Draw a thick crescent outline with a rounded left end and a tapered right tip. Add 3-4 curved band lines across the body to mark rolled segments. Draw short diagonal hatch lines within each segment to suggest flaky texture. Thicken the outer contour and add a small curled tip at the left end.
Use the separate practice sheet before checking the answer.

How to Draw Croissant — Free Practice Sheets

REFERENCE / CASE 4

croissant: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a thick crescent outline with a rounded left end and a tapered right tip. Add 3-4 curved band lines across the body to mark rolled segments. Draw short diagonal hatch lines within each segment to suggest flaky texture. Thicken the outer contour and add a small curled tip at the left end.
Use the separate practice sheet before checking the answer.
