How to Draw Carrot — Free Practice Sheets

REFERENCE / CASE 1

carrot: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

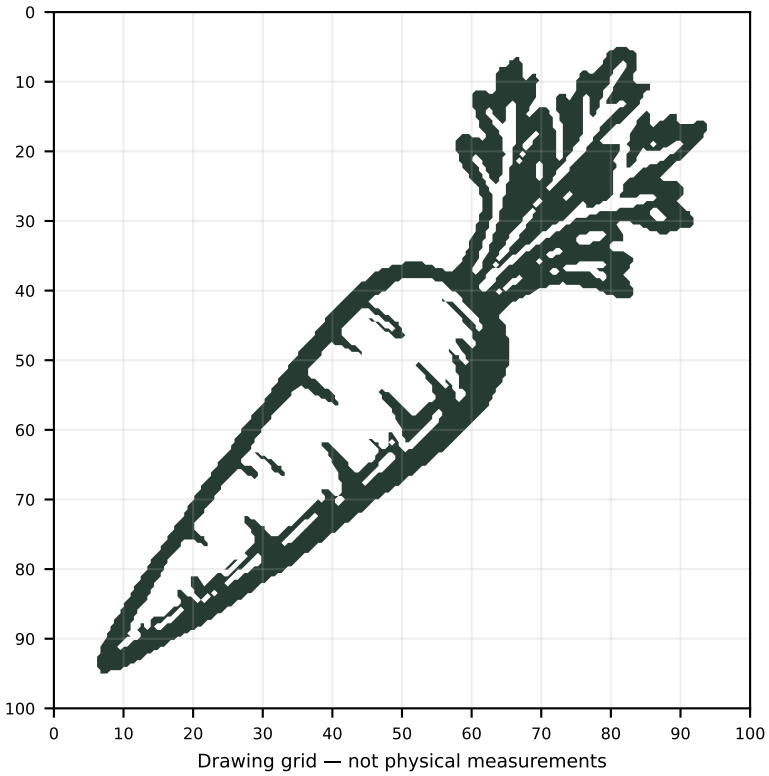

METHOD: Draw a long tapered cone for the root, wide at the top and pointed at the bottom. Add a cluster of feathery leaf shapes at the wide top end. Draw several short horizontal curved lines across the root to indicate ridges. Outline the root with a slightly irregular contour to suggest natural texture.
Use the separate practice sheet before checking the answer.
