How to Draw Porridge — Free Practice Sheets

REFERENCE / CASE 1

porridge: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

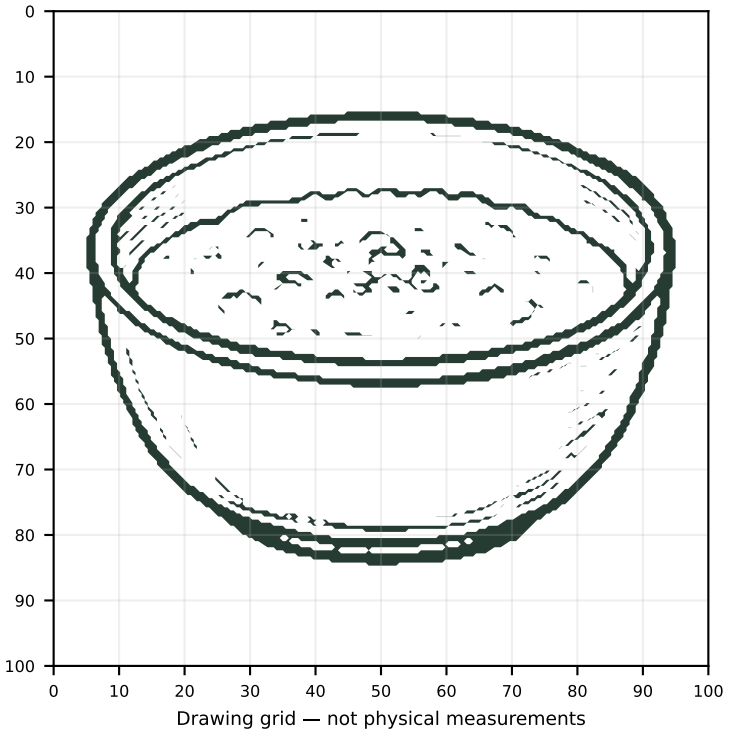

METHOD: Draw an oval for the bowl opening and a slightly smaller inner oval for the rim thickness. Add the bowl body as a curved U-shape below the rim, ending in a small flat base. Fill the inner oval with irregular small circles and dots to indicate thick oats/porridge texture. Add a few curved shading lines along the bowl sides to suggest roundness.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

porridge: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

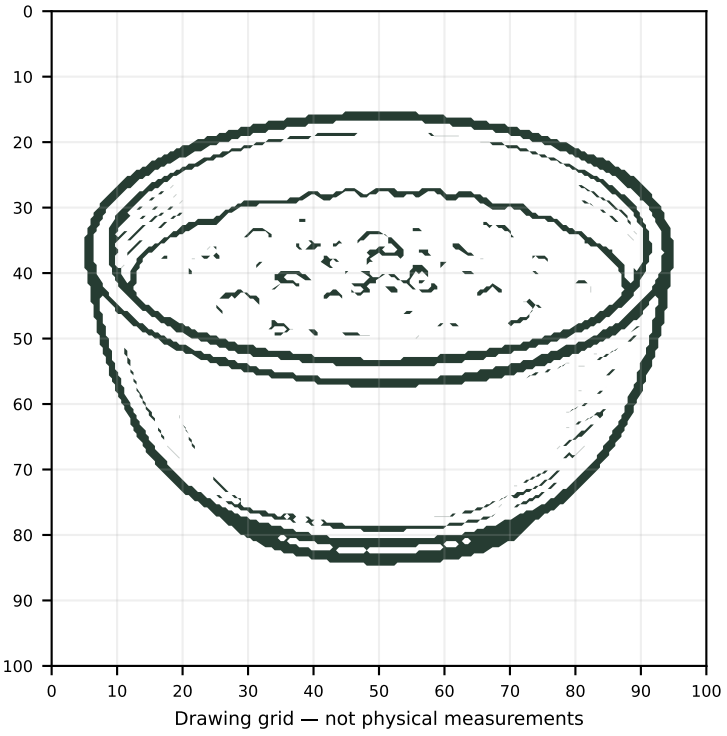

METHOD: Draw an oval for the bowl opening and a slightly smaller inner oval for the rim thickness. Add the bowl body as a curved U-shape below the rim, ending in a small flat base. Fill the inner oval with irregular small circles and dots to indicate thick oats/porridge texture. Add a few curved shading lines along the bowl sides to suggest roundness.
Use the separate practice sheet before checking the answer.

How to Draw Porridge — Free Practice Sheets

REFERENCE / CASE 3

porridge: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

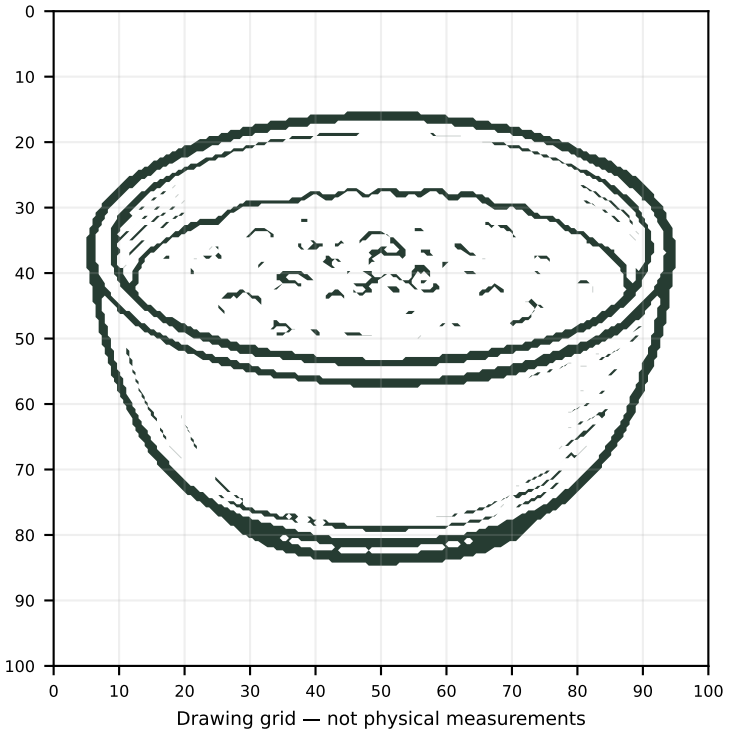

METHOD: Draw an oval for the bowl opening and a slightly smaller inner oval for the rim thickness. Add the bowl body as a curved U-shape below the rim, ending in a small flat base. Fill the inner oval with irregular small circles and dots to indicate thick oats/porridge texture. Add a few curved shading lines along the bowl sides to suggest roundness.
Use the separate practice sheet before checking the answer.

How to Draw Porridge — Free Practice Sheets

REFERENCE / CASE 4

porridge: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw an oval for the bowl opening and a slightly smaller inner oval for the rim thickness. Add the bowl body as a curved U-shape below the rim, ending in a small flat base. Fill the inner oval with irregular small circles and dots to indicate thick oats/porridge texture. Add a few curved shading lines along the bowl sides to suggest roundness.
Use the separate practice sheet before checking the answer.
