How to Draw Pumpkin Bread — Free Practice Sheets

REFERENCE / CASE 1

pumpkin bread: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

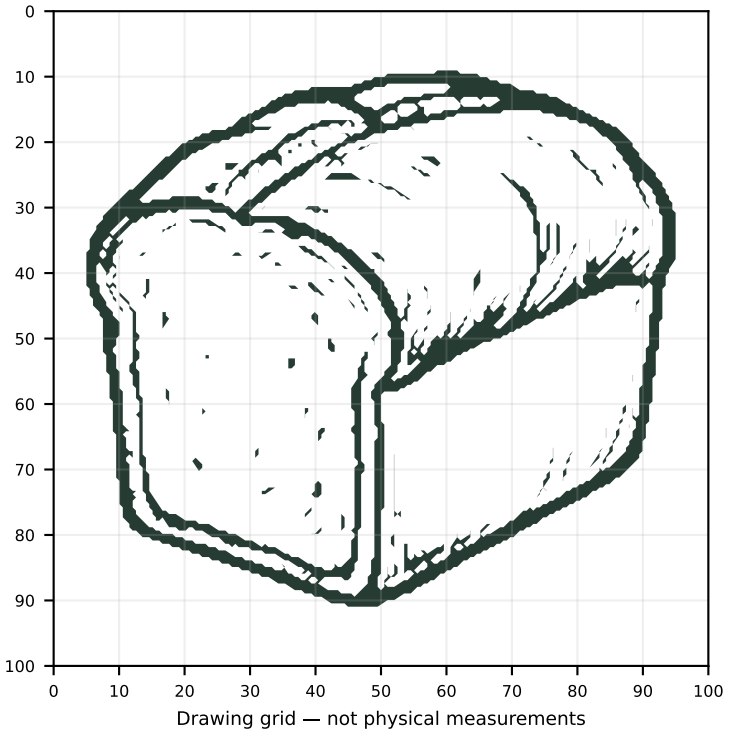

METHOD: Draw a rounded rectangular base outline for the loaf footprint. Add a domed top contour connecting the front and back edges. Place a vertical crease line down the center of the front face to separate the two end slices. Outline the top surface with a curved ridge and add short interior dashes for texture.
Use the separate practice sheet before checking the answer.
