How to Draw Tater Tots — Free Practice Sheets

REFERENCE / CASE 1

tater tots: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

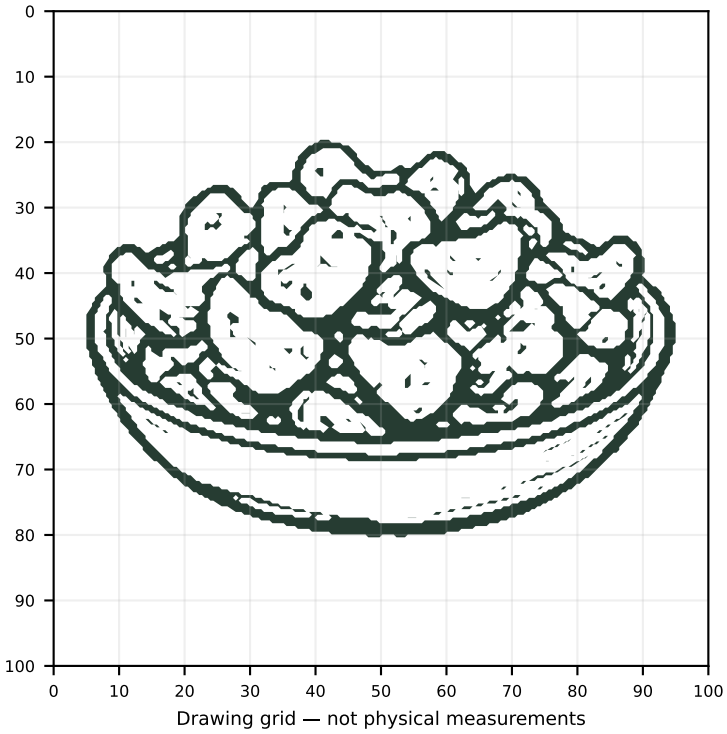

METHOD: Draw a shallow bowl outline with an elliptical rim and curved base. Sketch a mound of overlapping irregular rounded nugget shapes above the rim. Add small dots and short marks on each nugget to suggest a crispy textured surface. Refine outlines and add a few horizontal lines on the bowl for depth.
Use the separate practice sheet before checking the answer.
