How to Draw Ribs — Free Practice Sheets

REFERENCE / CASE 1

ribs: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

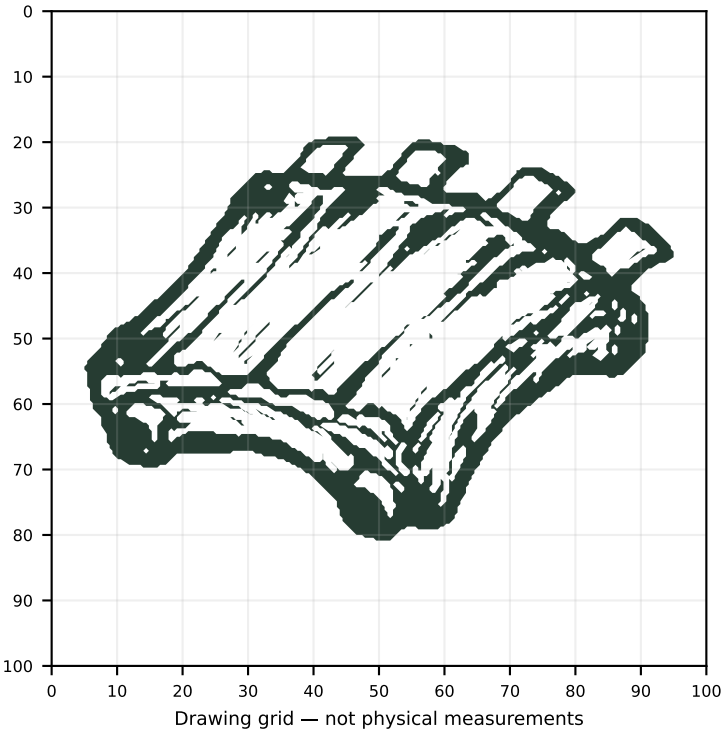

METHOD: Draw a rounded rectangular slab tilted diagonally to form the main meat body. Add four short rectangular bone stubs protruding from the top edge. Draw curved parallel lines across the slab to indicate individual ribs. Outline the lower edge with a thick rounded contour to suggest glazed meat and bone ends.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

ribs: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

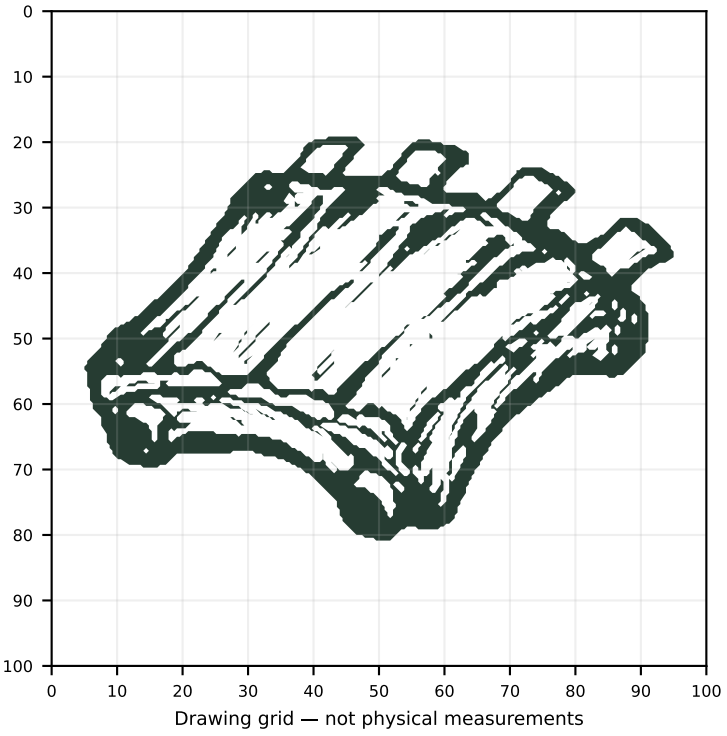

METHOD: Draw a rounded rectangular slab tilted diagonally to form the main meat body. Add four short rectangular bone stubs protruding from the top edge. Draw curved parallel lines across the slab to indicate individual ribs. Outline the lower edge with a thick rounded contour to suggest glazed meat and bone ends.
Use the separate practice sheet before checking the answer.

How to Draw Ribs — Free Practice Sheets

REFERENCE / CASE 3

ribs: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

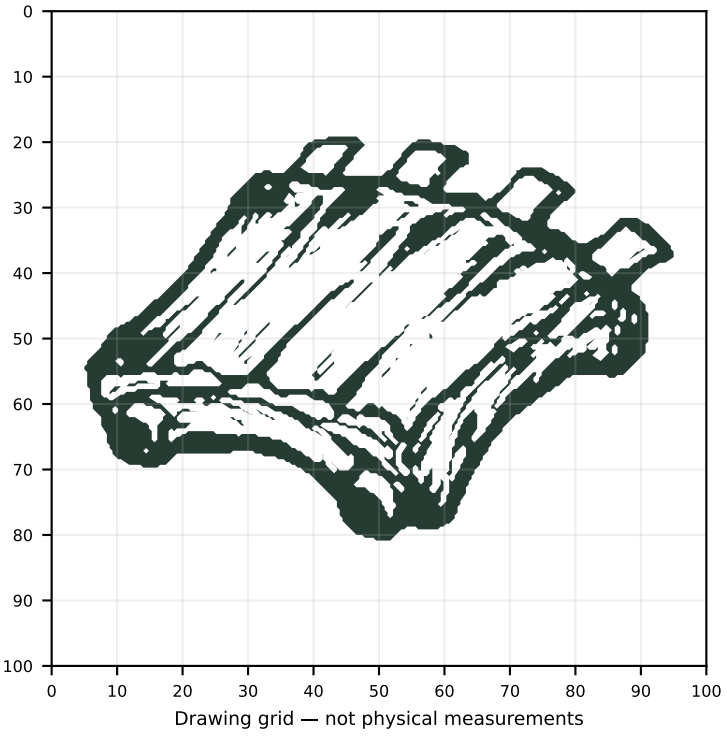

METHOD: Draw a rounded rectangular slab tilted diagonally to form the main meat body. Add four short rectangular bone stubs protruding from the top edge. Draw curved parallel lines across the slab to indicate individual ribs. Outline the lower edge with a thick rounded contour to suggest glazed meat and bone ends.
Use the separate practice sheet before checking the answer.

How to Draw Ribs — Free Practice Sheets

REFERENCE / CASE 4

ribs: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a rounded rectangular slab tilted diagonally to form the main meat body. Add four short rectangular bone stubs protruding from the top edge. Draw curved parallel lines across the slab to indicate individual ribs. Outline the lower edge with a thick rounded contour to suggest glazed meat and bone ends.
Use the separate practice sheet before checking the answer.
