cave: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

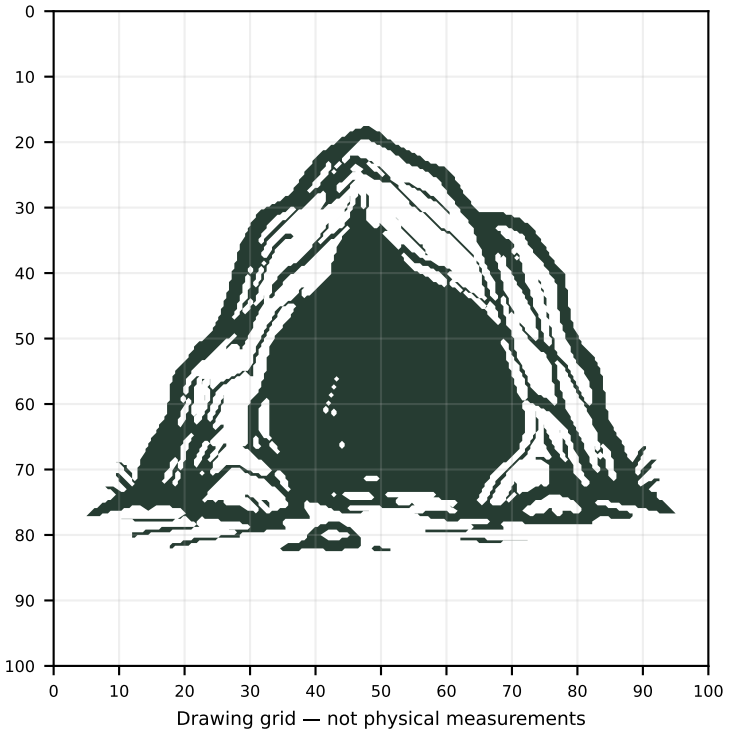

METHOD: Draw a large arched outline for the cave opening, keeping the top rounded and the sides slightly uneven. Add jagged, irregular lines around the outer edge to suggest rocky walls framing the opening. Fill the interior opening with solid dark shading to create a deep, shadowed interior. Sketch small rocks and tufts of grass along the bottom edge to ground the cave in a simple landscape.
