How to Draw Nest — Free Practice Sheets

ANSWER / CASE 1

nest: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

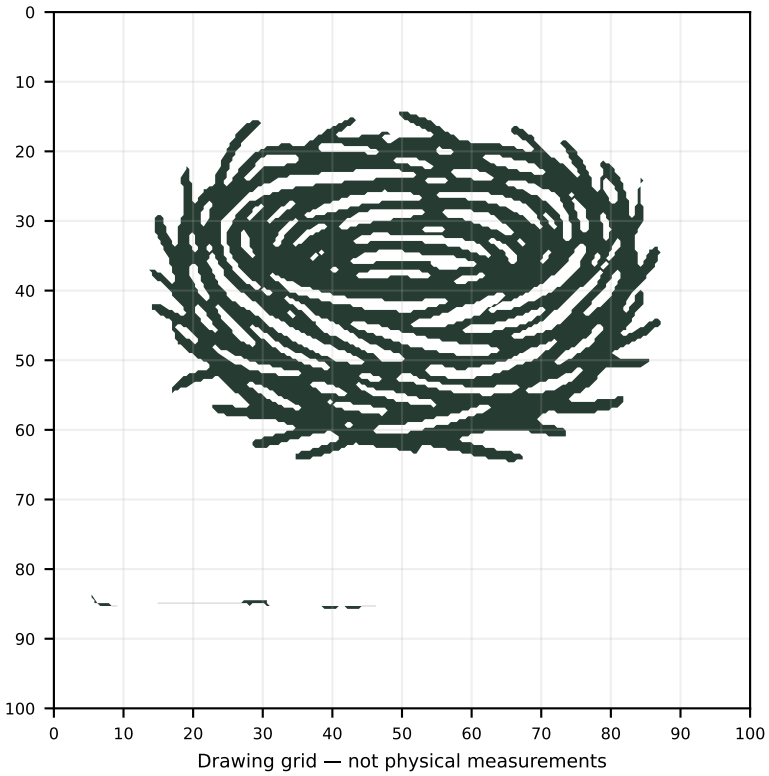

ANSWER: Example solution: preserve rounded bowl shape with a hollow center, dense woven twig texture made of overlapping curved lines, twig ends protruding around the outer rim. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a shallow oval to establish the rounded bowl silhouette.
2. Sketch concentric curved lines inside the oval to build the hollow center.
3. Add overlapping curved twig strokes across the bowl to create the woven texture.
4. Extend short twig ends outward around the rim to finish the nest outline.
