How to Draw Scallop Shell — Free Practice Sheets

REFERENCE / CASE 1

scallop shell: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

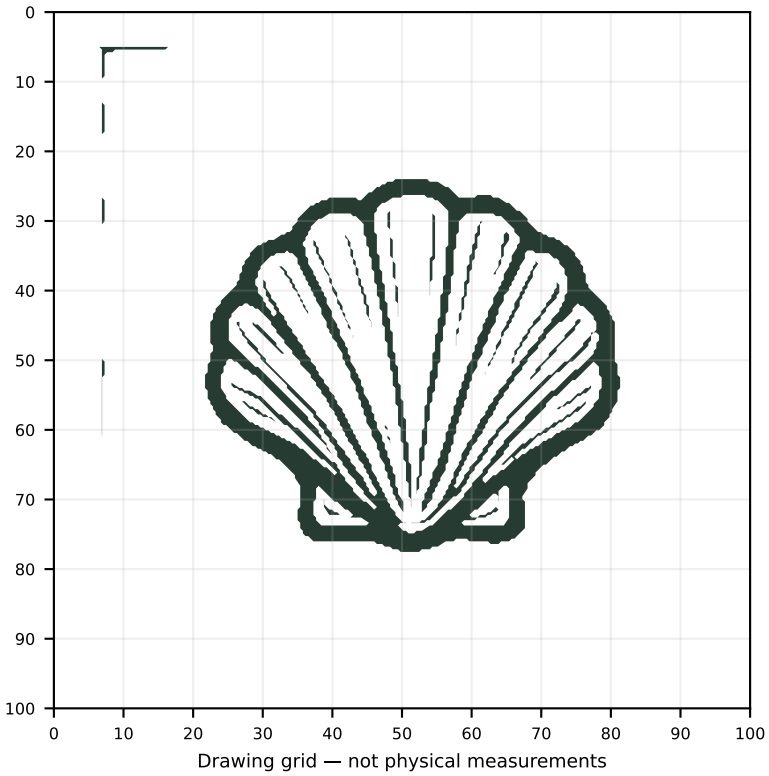

METHOD: Draw a wide fan-shaped outer contour with a scalloped top edge. Mark a central point near the bottom and draw radiating rib lines outward to the edge. Add a small rectangular hinge notch at the bottom center. Thicken the outer outline and rib lines for a bold monochrome worksheet look.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

scallop shell: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

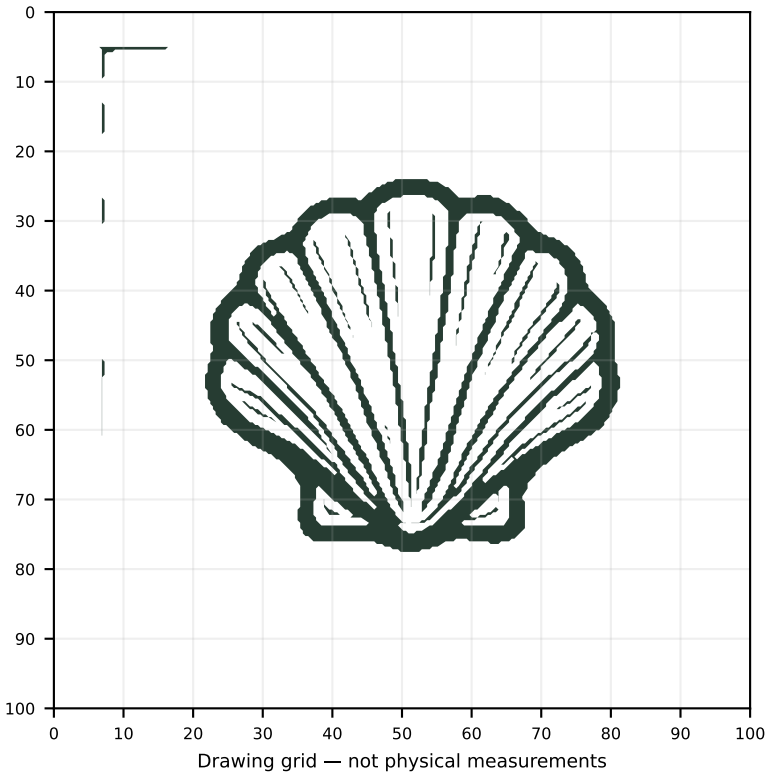

METHOD: Draw a wide fan-shaped outer contour with a scalloped top edge. Mark a central point near the bottom and draw radiating rib lines outward to the edge. Add a small rectangular hinge notch at the bottom center. Thicken the outer outline and rib lines for a bold monochrome worksheet look.
Use the separate practice sheet before checking the answer.

How to Draw Scallop Shell — Free Practice Sheets

REFERENCE / CASE 3

scallop shell: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

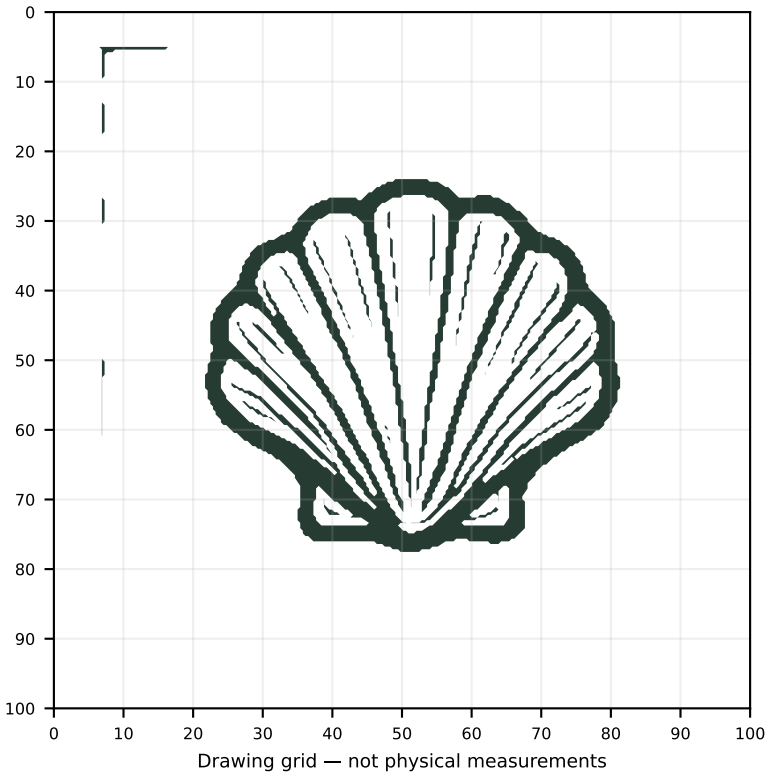

METHOD: Draw a wide fan-shaped outer contour with a scalloped top edge. Mark a central point near the bottom and draw radiating rib lines outward to the edge. Add a small rectangular hinge notch at the bottom center. Thicken the outer outline and rib lines for a bold monochrome worksheet look.
Use the separate practice sheet before checking the answer.

How to Draw Scallop Shell — Free Practice Sheets

REFERENCE / CASE 4

scallop shell: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a wide fan-shaped outer contour with a scalloped top edge. Mark a central point near the bottom and draw radiating rib lines outward to the edge. Add a small rectangular hinge notch at the bottom center. Thicken the outer outline and rib lines for a bold monochrome worksheet look.
Use the separate practice sheet before checking the answer.
