How to Draw Snail Shell — Free Practice Sheets

REFERENCE / CASE 1

snail shell: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

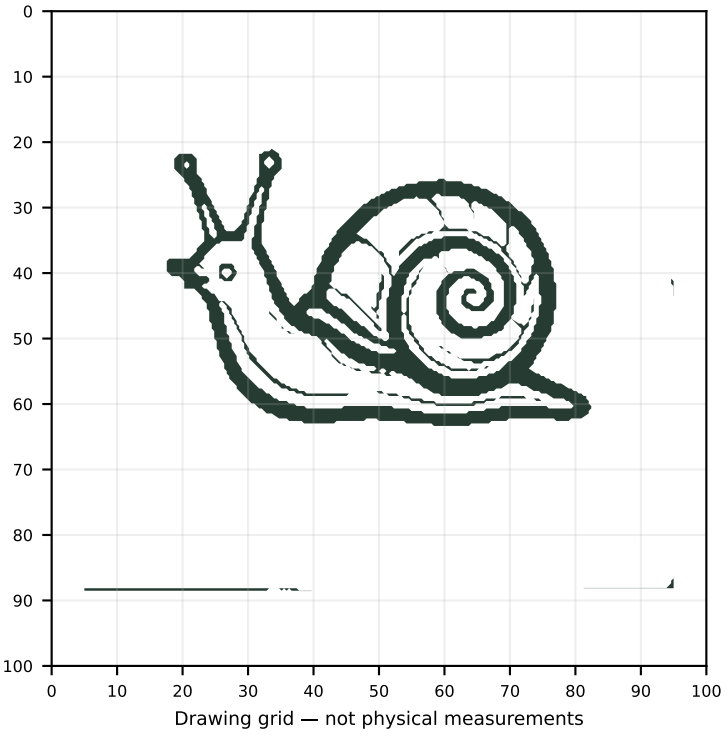

METHOD: Draw a large rounded dome for the shell, then add a tight spiral coil at its center. Add curved whorl lines radiating from the spiral to the shell edge to show rounded whorls. Draw the tapered shell opening at the lower left where the body emerges. Draw the elongated foot/body outline beneath the shell, then add the head with two antennae and a small eye.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

snail shell: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

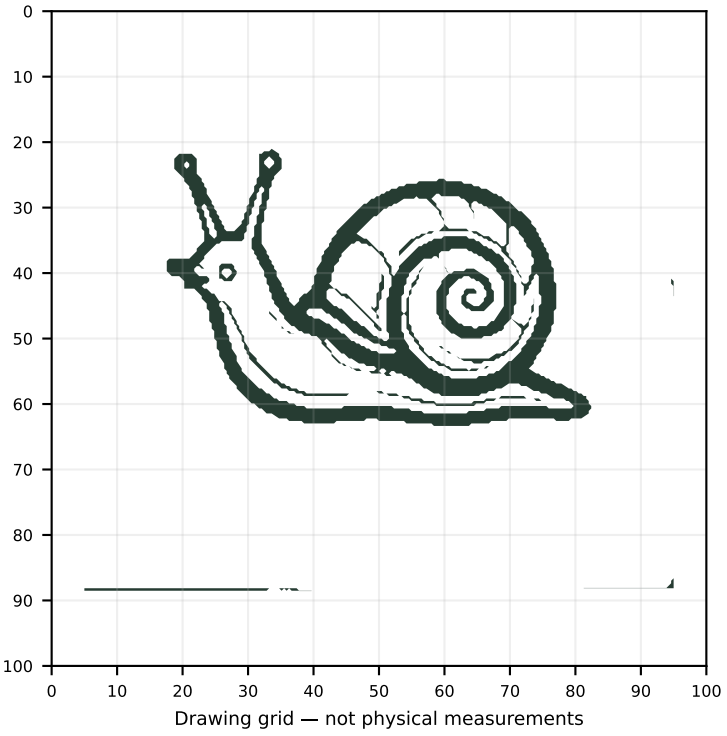

METHOD: Draw a large rounded dome for the shell, then add a tight spiral coil at its center. Add curved whorl lines radiating from the spiral to the shell edge to show rounded whorls. Draw the tapered shell opening at the lower left where the body emerges. Draw the elongated foot/body outline beneath the shell, then add the head with two antennae and a small eye.
Use the separate practice sheet before checking the answer.

How to Draw Snail Shell — Free Practice Sheets

REFERENCE / CASE 3

snail shell: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

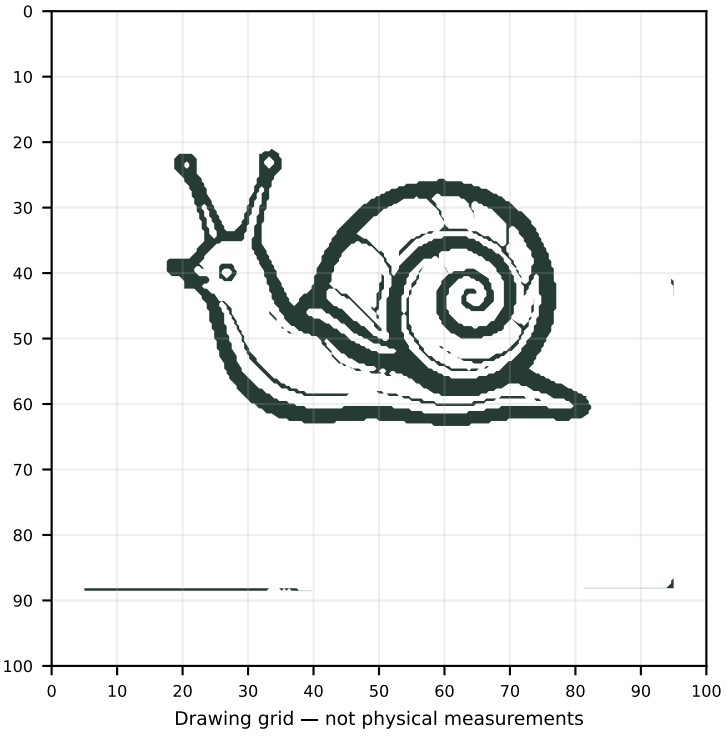

METHOD: Draw a large rounded dome for the shell, then add a tight spiral coil at its center. Add curved whorl lines radiating from the spiral to the shell edge to show rounded whorls. Draw the tapered shell opening at the lower left where the body emerges. Draw the elongated foot/body outline beneath the shell, then add the head with two antennae and a small eye.
Use the separate practice sheet before checking the answer.

How to Draw Snail Shell — Free Practice Sheets

REFERENCE / CASE 4

snail shell: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large rounded dome for the shell, then add a tight spiral coil at its center. Add curved whorl lines radiating from the spiral to the shell edge to show rounded whorls. Draw the tapered shell opening at the lower left where the body emerges. Draw the elongated foot/body outline beneath the shell, then add the head with two antennae and a small eye.
Use the separate practice sheet before checking the answer.
