How to Draw Conch — Free Practice Sheets

REFERENCE / CASE 1

conch: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

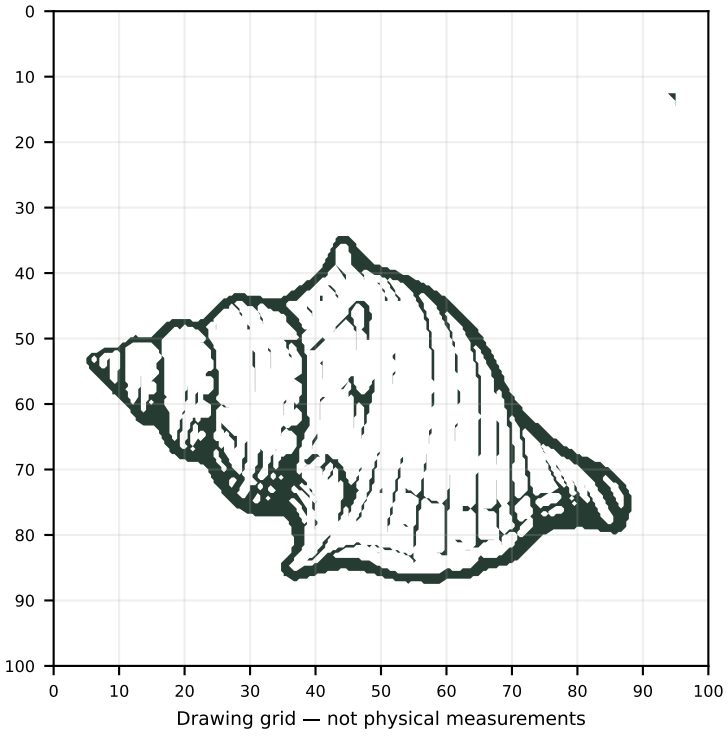

METHOD: Draw the overall teardrop outline: narrow pointed spire on the left expanding into a large rounded body whorl on the right. Add the spiral whorl divisions as curved lines wrapping around the spire and upper body. Draw longitudinal ridge lines running down the body whorl and add the flared lip with a wavy lower edge. Add the short siphonal canal/notch at the lower right and refine the pointed tip of the spire.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

conch: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

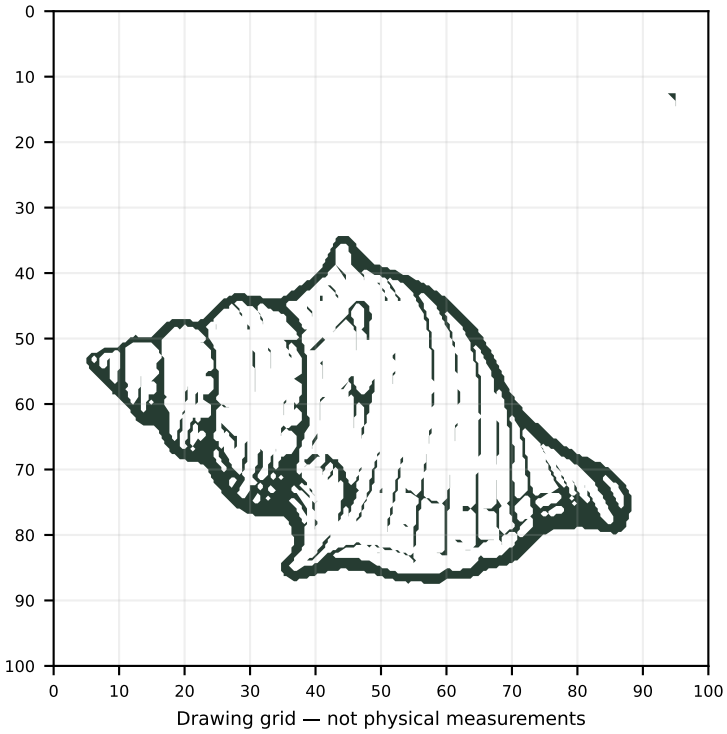

METHOD: Draw the overall teardrop outline: narrow pointed spire on the left expanding into a large rounded body whorl on the right. Add the spiral whorl divisions as curved lines wrapping around the spire and upper body. Draw longitudinal ridge lines running down the body whorl and add the flared lip with a wavy lower edge. Add the short siphonal canal/notch at the lower right and refine the pointed tip of the spire.
Use the separate practice sheet before checking the answer.

How to Draw Conch — Free Practice Sheets

REFERENCE / CASE 4

conch: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the overall teardrop outline: narrow pointed spire on the left expanding into a large rounded body whorl on the right. Add the spiral whorl divisions as curved lines wrapping around the spire and upper body. Draw longitudinal ridge lines running down the body whorl and add the flared lip with a wavy lower edge. Add the short siphonal canal/notch at the lower right and refine the pointed tip of the spire.
Use the separate practice sheet before checking the answer.
