How to Draw Crown — Free Practice Sheets

REFERENCE / CASE 1

crown: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

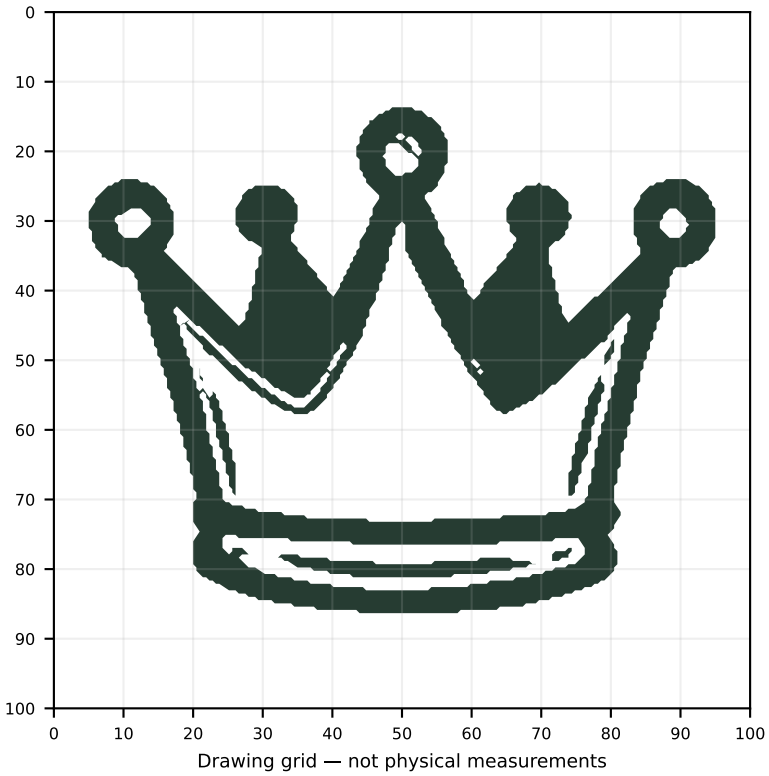

METHOD: Draw a wide, slightly curved base band with a double outline. Add five upward-pointing triangular peaks along the top edge of the band, making the center peak tallest. Place small circles (orbs) on the tips of the outer and center peaks. Add small circular jewel details along the front of the band and refine the outline.
Use the separate practice sheet before checking the answer.

How to Draw Crown — Free Practice Sheets

REFERENCE / CASE 2

crown: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

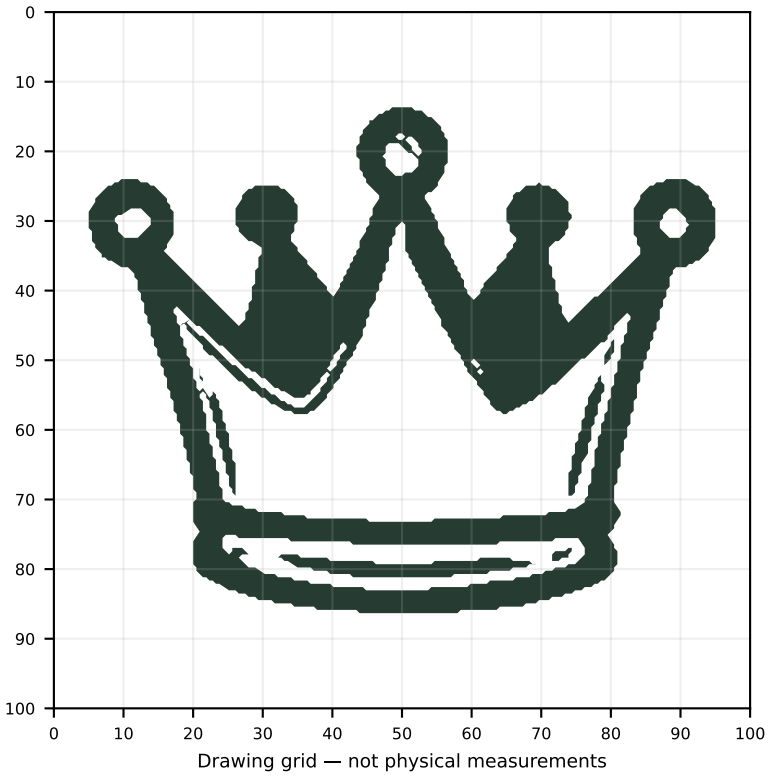

METHOD: Draw a wide, slightly curved base band with a double outline. Add five upward-pointing triangular peaks along the top edge of the band, making the center peak tallest. Place small circles (orbs) on the tips of the outer and center peaks. Add small circular jewel details along the front of the band and refine the outline.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

crown: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

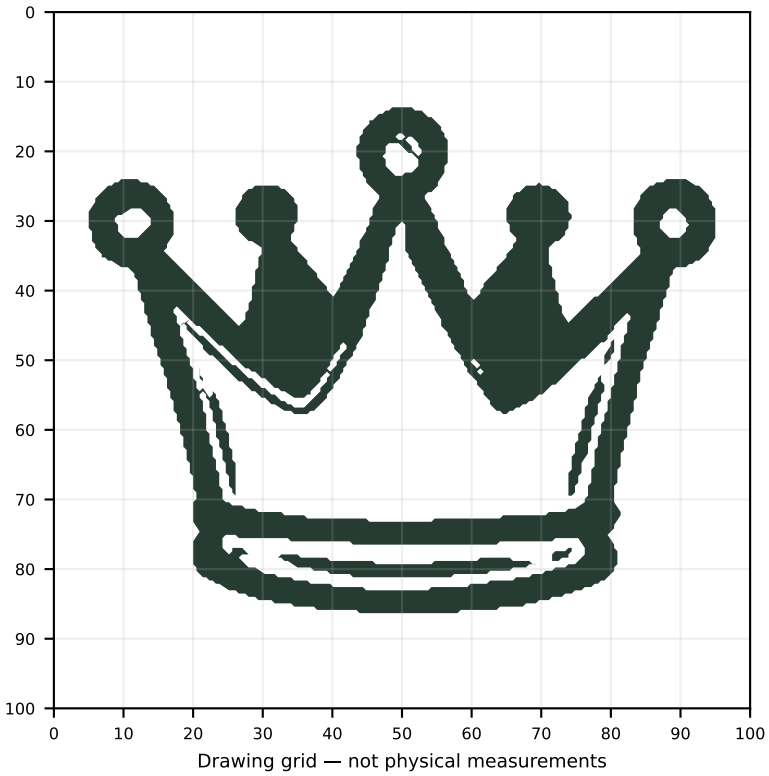

METHOD: Draw a wide, slightly curved base band with a double outline. Add five upward-pointing triangular peaks along the top edge of the band, making the center peak tallest. Place small circles (orbs) on the tips of the outer and center peaks. Add small circular jewel details along the front of the band and refine the outline.
Use the separate practice sheet before checking the answer.

How to Draw Crown — Free Practice Sheets

REFERENCE / CASE 4

crown: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a wide, slightly curved base band with a double outline. Add five upward-pointing triangular peaks along the top edge of the band, making the center peak tallest. Place small circles (orbs) on the tips of the outer and center peaks. Add small circular jewel details along the front of the band and refine the outline.
Use the separate practice sheet before checking the answer.
