How to Draw Phone — Free Practice Sheets

REFERENCE / CASE 1

phone: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

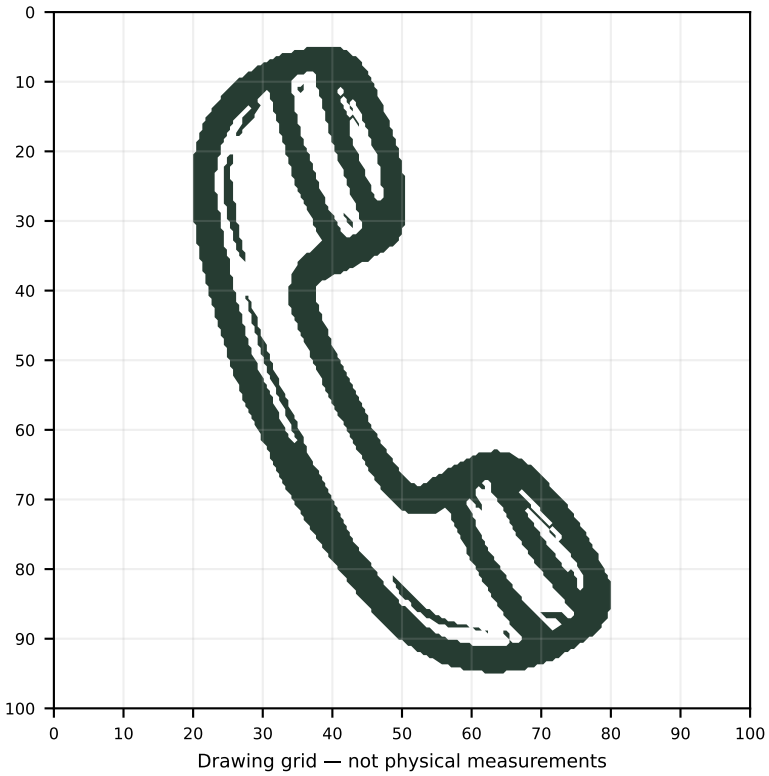

METHOD: Draw a long curved U-shape for the central handle. Add wider rounded rectangles at each end for the earpiece and mouthpiece. Connect the ends to the handle with smooth curves. Outline the entire shape with a thick black line.
Use the separate practice sheet before checking the answer.

How to Draw Phone — Free Practice Sheets

REFERENCE / CASE 2

phone: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

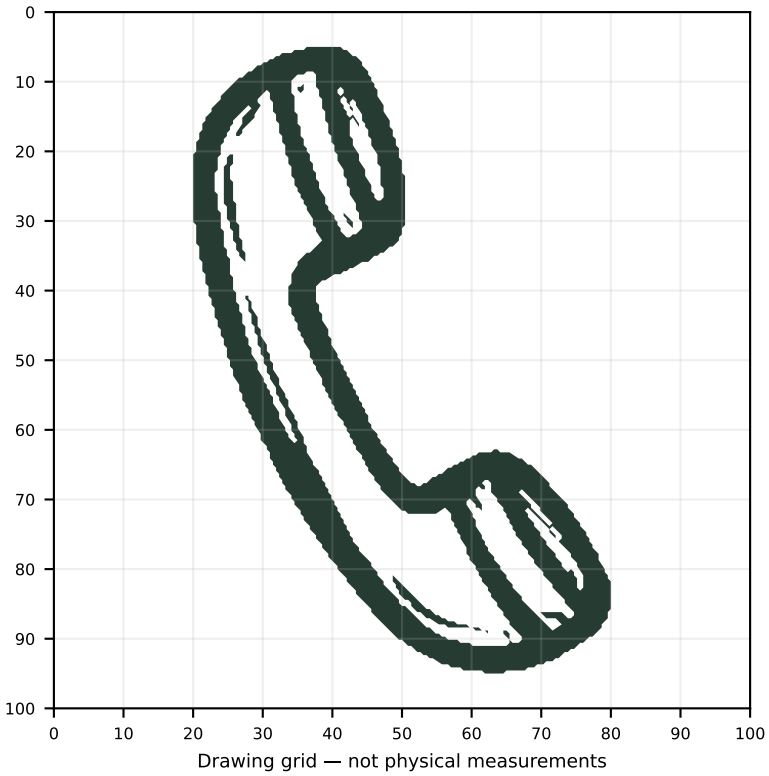

METHOD: Draw a long curved U-shape for the central handle. Add wider rounded rectangles at each end for the earpiece and mouthpiece. Connect the ends to the handle with smooth curves. Outline the entire shape with a thick black line.
Use the separate practice sheet before checking the answer.

How to Draw Phone — Free Practice Sheets

REFERENCE / CASE 3

phone: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

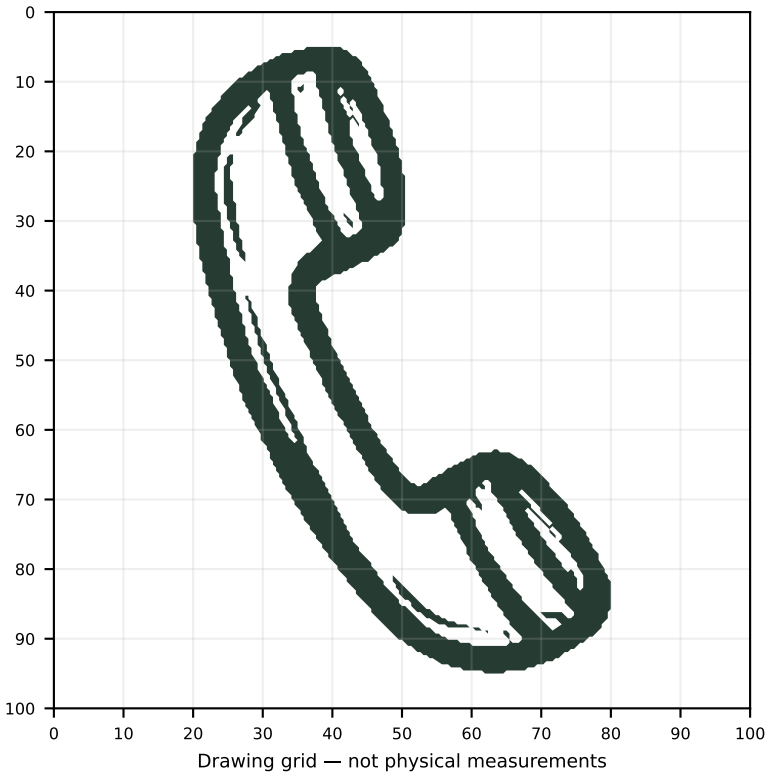

METHOD: Draw a long curved U-shape for the central handle. Add wider rounded rectangles at each end for the earpiece and mouthpiece. Connect the ends to the handle with smooth curves. Outline the entire shape with a thick black line.
Use the separate practice sheet before checking the answer.

How to Draw Phone — Free Practice Sheets

REFERENCE / CASE 4

phone: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a long curved U-shape for the central handle. Add wider rounded rectangles at each end for the earpiece and mouthpiece. Connect the ends to the handle with smooth curves. Outline the entire shape with a thick black line.
Use the separate practice sheet before checking the answer.
