How to Draw Lantern — Free Practice Sheets

REFERENCE / CASE 1

lantern: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

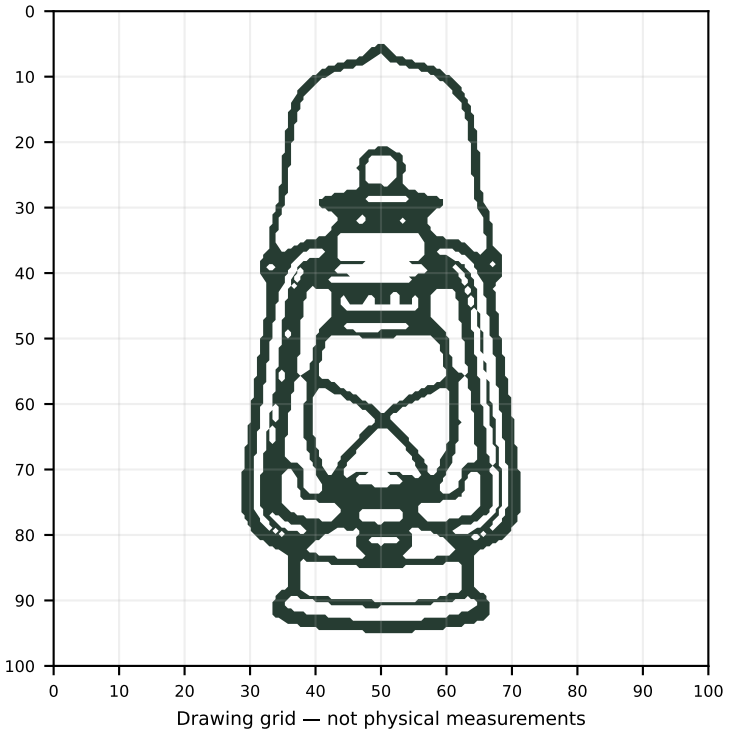

METHOD: Draw a tall inverted-U handle loop centered over the body. Add the top cap assembly: a small knob, a wide cap, and a vented collar. Draw the rounded glass body with two crossed diagonal guard wires inside. Add the lower frame and stacked base with a small central knob.
Use the separate practice sheet before checking the answer.
