How to Draw Sofa — Free Practice Sheets

REFERENCE / CASE 1

sofa: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

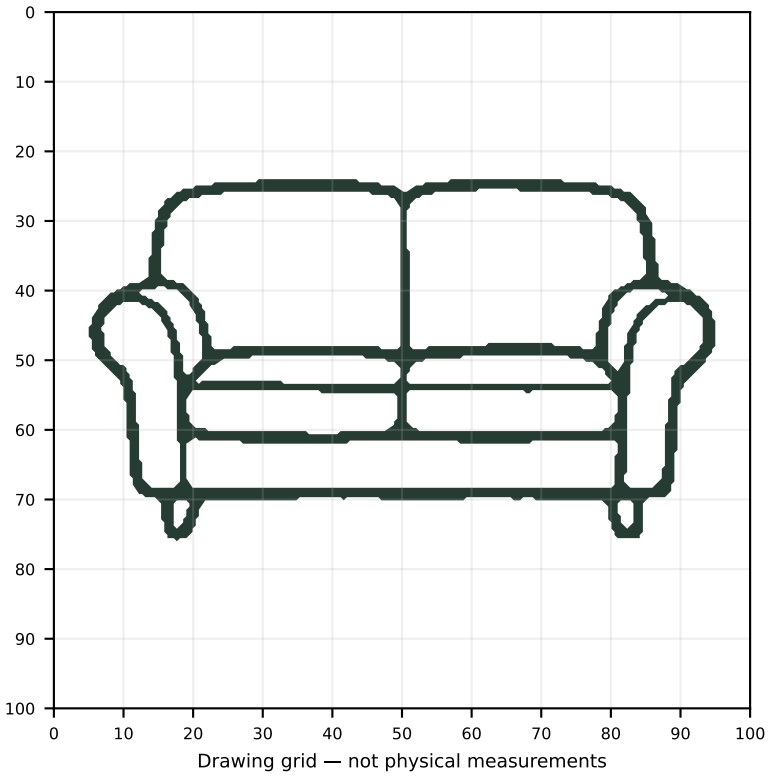

METHOD: Draw the overall rectangular body outline with a slightly rounded top edge. Add a vertical center line to divide the backrest and seat into two sections. Draw the two curved armrests attached to the left and right sides of the body. Add the two short front legs beneath the base and outline the seat cushions.
Use the separate practice sheet before checking the answer.
