How to Draw Shoe — Free Practice Sheets

REFERENCE / CASE 1

shoe: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

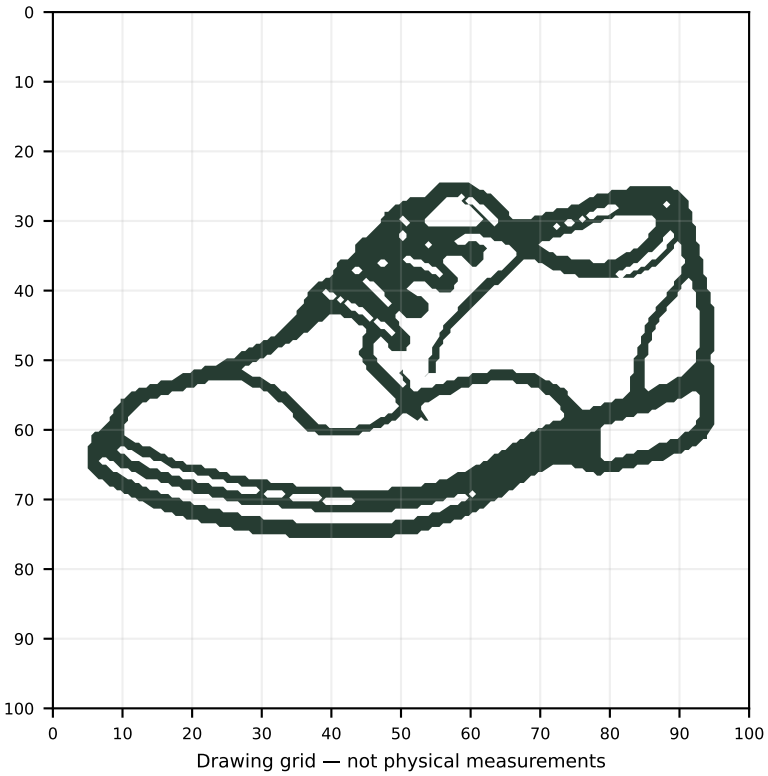

METHOD: Draw the long, slightly curved sole outline with a raised heel block at the rear. Add the rounded toe box and the upper vamp curve connecting to the lacing area. Sketch the crisscross laces and the collar opening at the top. Outline the heel counter and side panel seams to complete the shoe silhouette.
Use the separate practice sheet before checking the answer.
