How to Draw Fence — Free Practice Sheets

ANSWER / CASE 1

fence: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

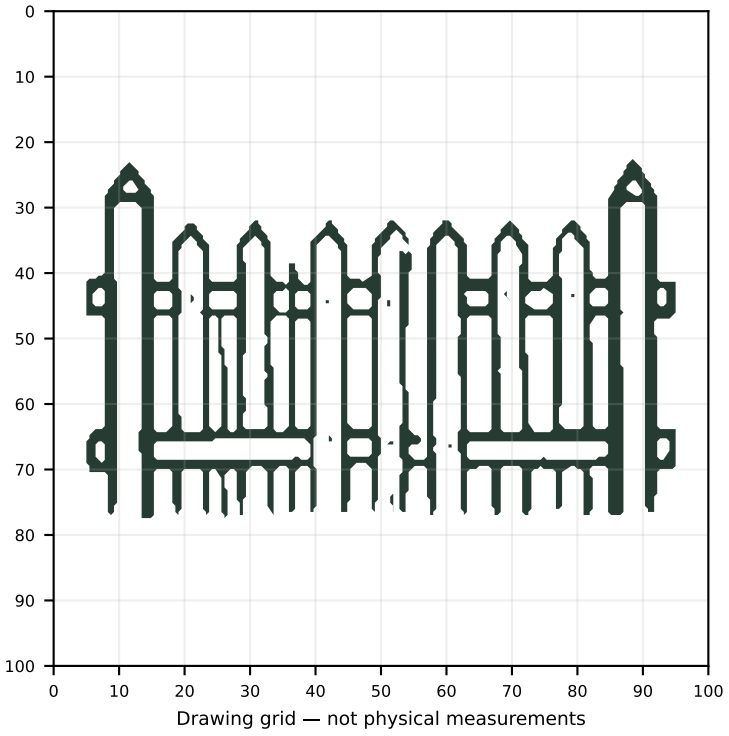

ANSWER: Example solution: preserve pointed vertical pickets, two horizontal rails crossing the pickets, taller end posts with pointed caps. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw two tall vertical posts with pointed tops at the left and right ends.
2. Draw a row of shorter pointed vertical pickets between the posts.
3. Add two horizontal rails spanning across the pickets and posts.
4. Add small rectangular tabs on the outer sides of the end posts.

How to Draw Fence — Free Practice Sheets

ANSWER / CASE 2

fence: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

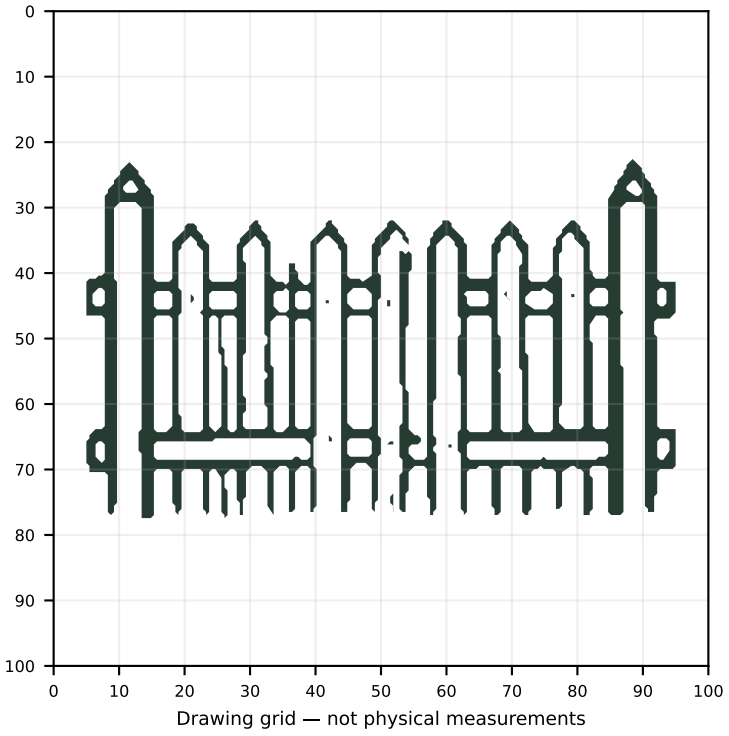

ANSWER: Example solution: preserve pointed vertical pickets, two horizontal rails crossing the pickets, taller end posts with pointed caps. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw two tall vertical posts with pointed tops at the left and right ends.
2. Draw a row of shorter pointed vertical pickets between the posts.
3. Add two horizontal rails spanning across the pickets and posts.
4. Add small rectangular tabs on the outer sides of the end posts.

How to Draw Fence — Free Practice Sheets

ANSWER / CASE 3

fence: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

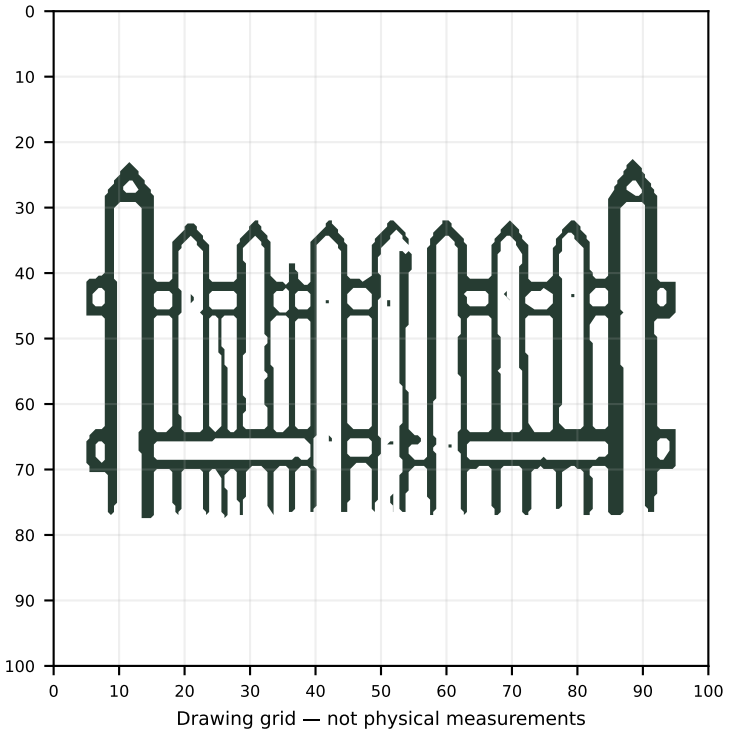

ANSWER: Example solution: preserve pointed vertical pickets, two horizontal rails crossing the pickets, taller end posts with pointed caps. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw two tall vertical posts with pointed tops at the left and right ends.
2. Draw a row of shorter pointed vertical pickets between the posts.
3. Add two horizontal rails spanning across the pickets and posts.
4. Add small rectangular tabs on the outer sides of the end posts.

How to Draw Fence — Free Practice Sheets

ANSWER / CASE 4

fence: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve pointed vertical pickets, two horizontal rails crossing the pickets, taller end posts with pointed caps. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw two tall vertical posts with pointed tops at the left and right ends.
2. Draw a row of shorter pointed vertical pickets between the posts.
3. Add two horizontal rails spanning across the pickets and posts.
4. Add small rectangular tabs on the outer sides of the end posts.
