How to Draw Fence — Free Practice Sheets

REFERENCE / CASE 1

fence: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

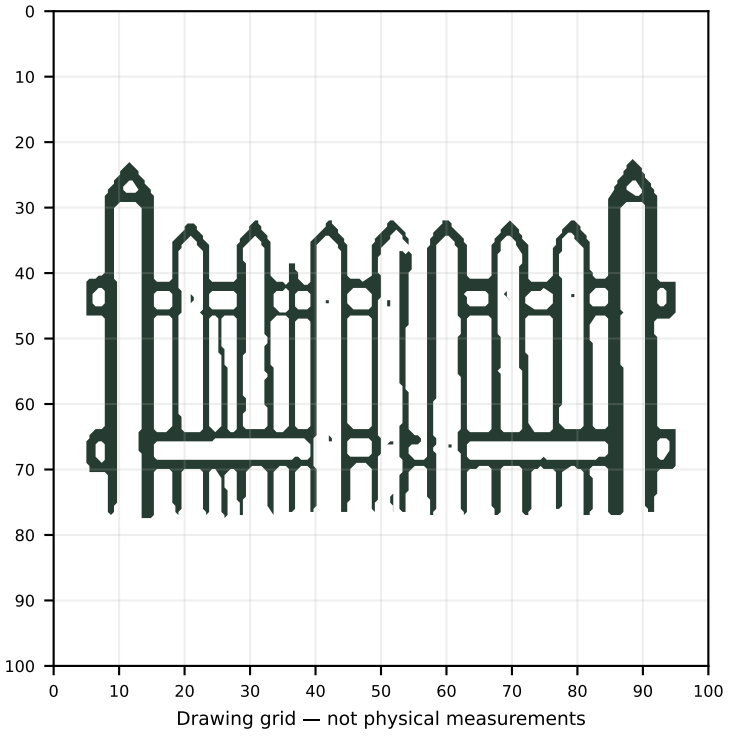

METHOD: Draw two tall vertical posts with pointed tops at the left and right ends. Draw a row of shorter pointed vertical pickets between the posts. Add two horizontal rails spanning across the pickets and posts. Add small rectangular tabs on the outer sides of the end posts.
Use the separate practice sheet before checking the answer.

How to Draw Fence — Free Practice Sheets

REFERENCE / CASE 2

fence: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

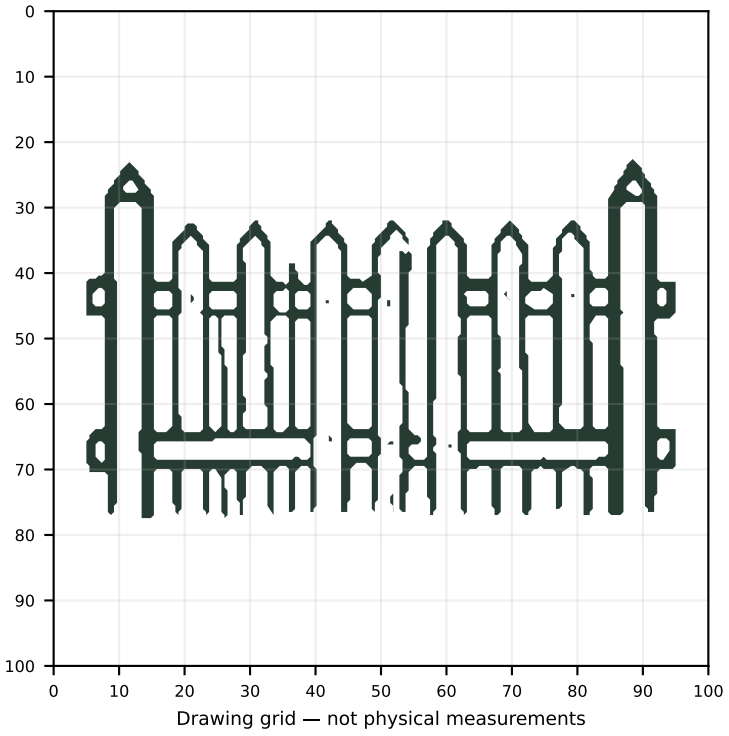

METHOD: Draw two tall vertical posts with pointed tops at the left and right ends. Draw a row of shorter pointed vertical pickets between the posts. Add two horizontal rails spanning across the pickets and posts. Add small rectangular tabs on the outer sides of the end posts.
Use the separate practice sheet before checking the answer.
