How to Draw Sweater — Free Practice Sheets

ANSWER / CASE 1

sweater: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

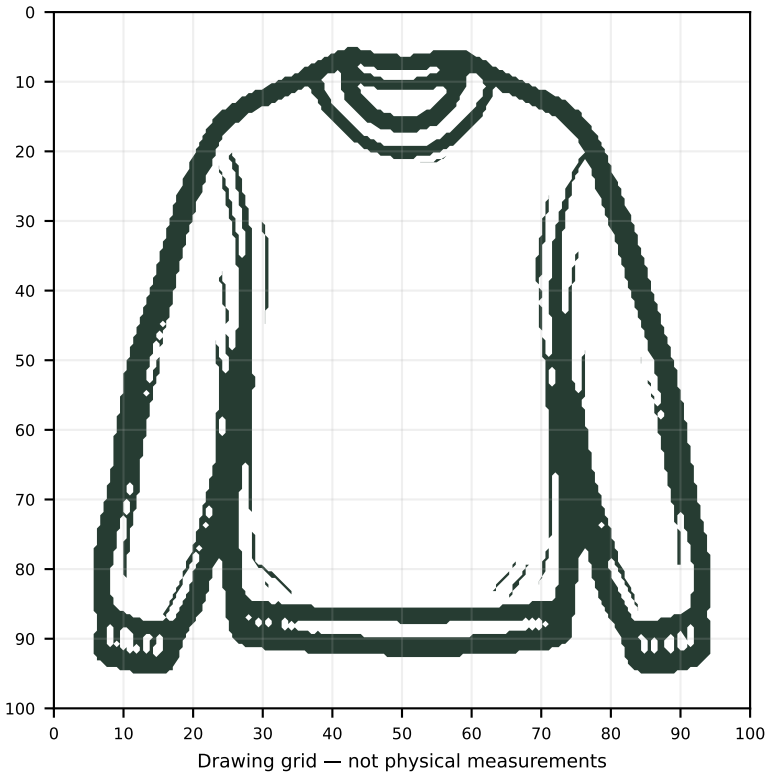

ANSWER: Example solution: preserve crew neckline with a double-line collar band, long sleeves with ribbed cuffs, ribbed hem at the bottom. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a rounded rectangle for the body, then add a curved double-line crew neckline at the top center.
2. Extend two long sleeves outward and downward from the shoulders, keeping them roughly symmetrical.
3. Add ribbed cuffs at the sleeve ends and a ribbed hem band across the bottom of the body.
4. Outline the neckline, cuffs, and hem with thicker lines to define the sweater's structure.
