How to Draw Spoon — Free Practice Sheets

REFERENCE / CASE 1

spoon: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

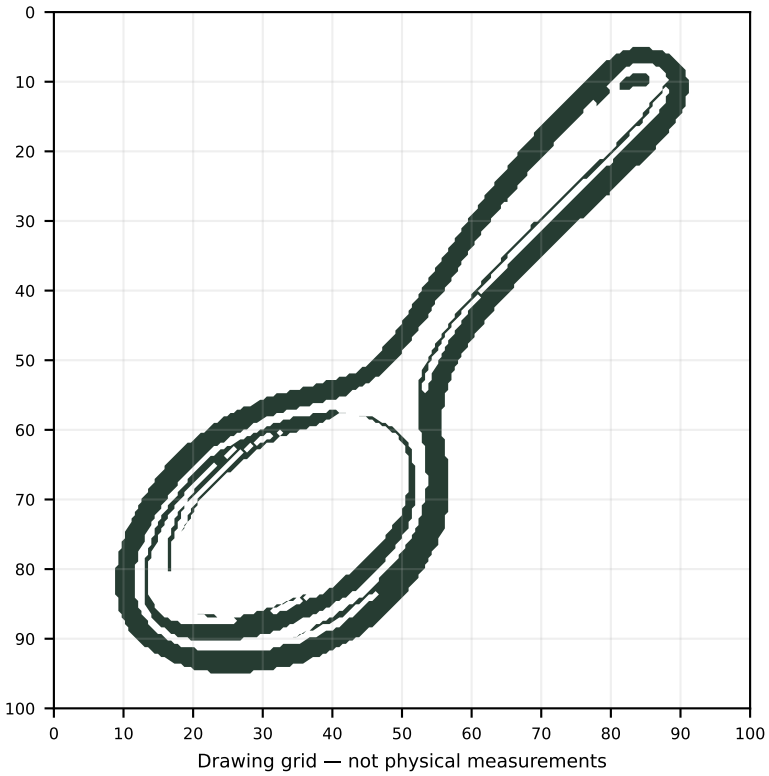

METHOD: Draw a large oval for the bowl, tilted diagonally. Extend two roughly parallel curved lines from the top of the oval to form the long handle. Add a small circle or hole near the rounded end of the handle. Outline the bowl and handle with a thicker contour to define the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Spoon — Free Practice Sheets

REFERENCE / CASE 2

spoon: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

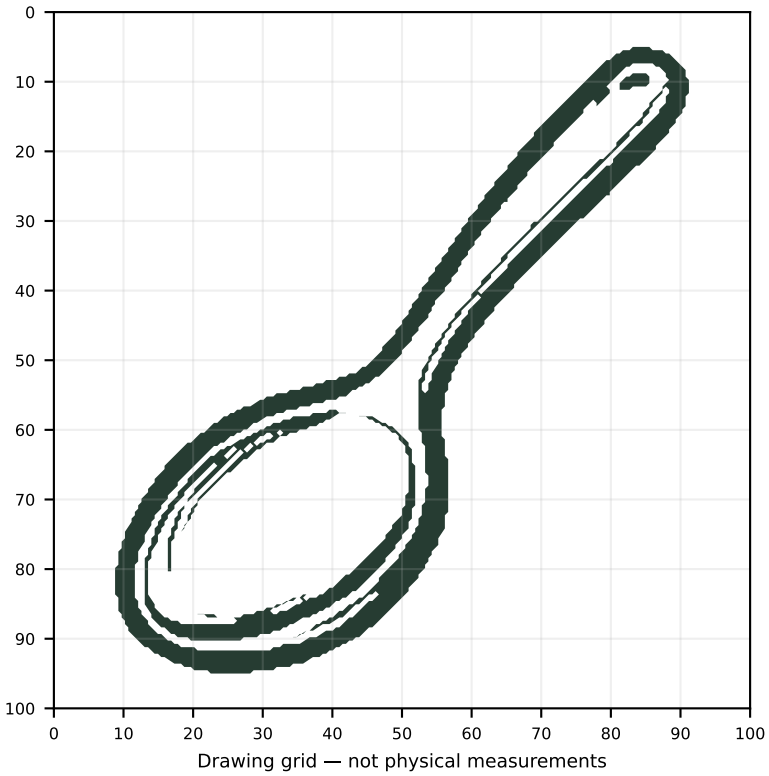

METHOD: Draw a large oval for the bowl, tilted diagonally. Extend two roughly parallel curved lines from the top of the oval to form the long handle. Add a small circle or hole near the rounded end of the handle. Outline the bowl and handle with a thicker contour to define the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Spoon — Free Practice Sheets

REFERENCE / CASE 3

spoon: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

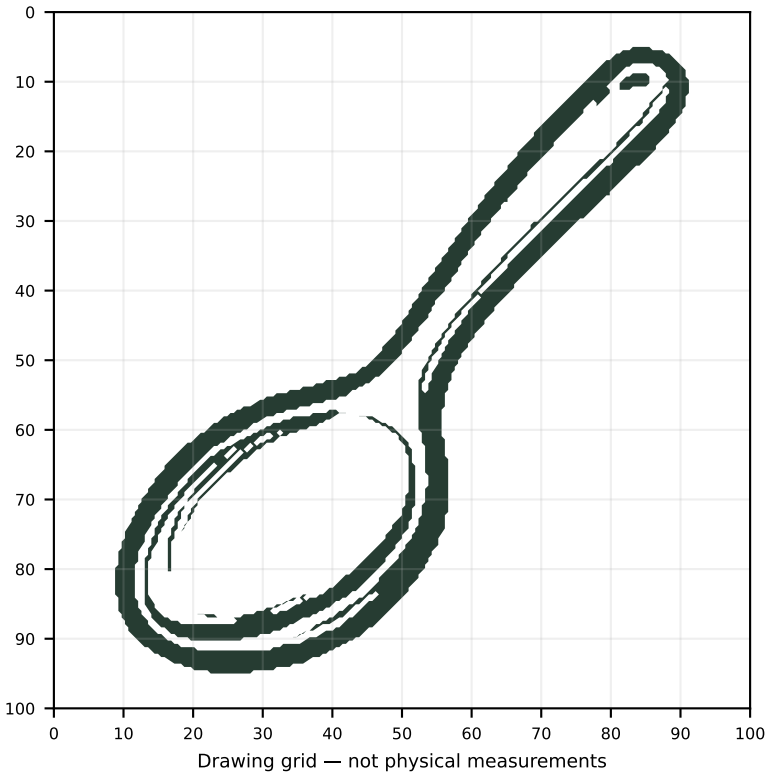

METHOD: Draw a large oval for the bowl, tilted diagonally. Extend two roughly parallel curved lines from the top of the oval to form the long handle. Add a small circle or hole near the rounded end of the handle. Outline the bowl and handle with a thicker contour to define the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Spoon — Free Practice Sheets

REFERENCE / CASE 4

spoon: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large oval for the bowl, tilted diagonally. Extend two roughly parallel curved lines from the top of the oval to form the long handle. Add a small circle or hole near the rounded end of the handle. Outline the bowl and handle with a thicker contour to define the silhouette.
Use the separate practice sheet before checking the answer.
