How to Draw Speaker — Free Practice Sheets

REFERENCE / CASE 1

speaker: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

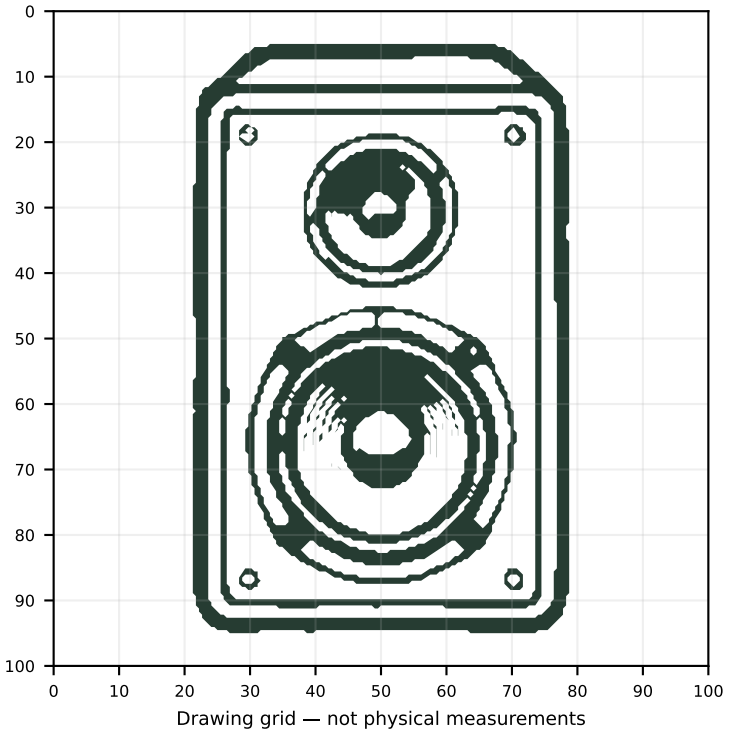

METHOD: Draw the rounded rectangular outer frame and add the top handle outline above it. Place the small upper circular driver centered near the top of the front panel. Draw the larger lower circular driver centered below it, with concentric rings for the grille texture. Add the corner fastener circles and the inner cone details to complete the speaker.
Use the separate practice sheet before checking the answer.

How to Draw Speaker — Free Practice Sheets

REFERENCE / CASE 2

speaker: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

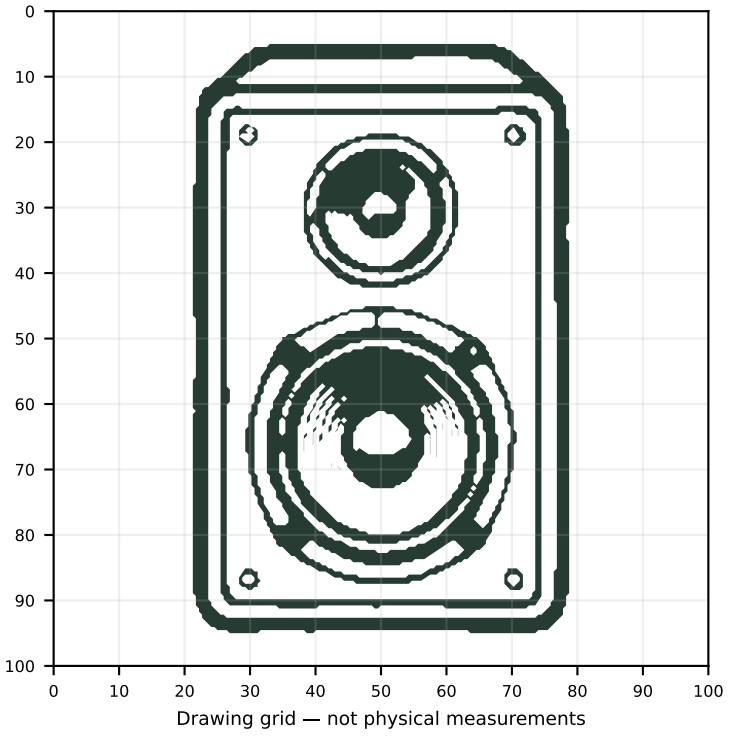

METHOD: Draw the rounded rectangular outer frame and add the top handle outline above it. Place the small upper circular driver centered near the top of the front panel. Draw the larger lower circular driver centered below it, with concentric rings for the grille texture. Add the corner fastener circles and the inner cone details to complete the speaker.
Use the separate practice sheet before checking the answer.

How to Draw Speaker — Free Practice Sheets

REFERENCE / CASE 3

speaker: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

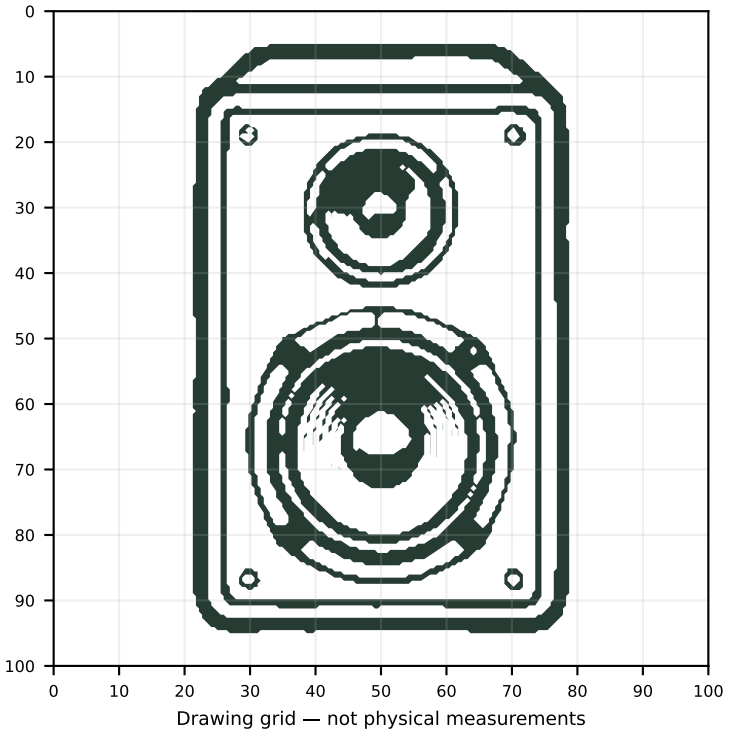

METHOD: Draw the rounded rectangular outer frame and add the top handle outline above it. Place the small upper circular driver centered near the top of the front panel. Draw the larger lower circular driver centered below it, with concentric rings for the grille texture. Add the corner fastener circles and the inner cone details to complete the speaker.
Use the separate practice sheet before checking the answer.

How to Draw Speaker — Free Practice Sheets

REFERENCE / CASE 4

speaker: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the rounded rectangular outer frame and add the top handle outline above it. Place the small upper circular driver centered near the top of the front panel. Draw the larger lower circular driver centered below it, with concentric rings for the grille texture. Add the corner fastener circles and the inner cone details to complete the speaker.
Use the separate practice sheet before checking the answer.
