How to Draw Trash Can — Free Practice Sheets

REFERENCE / CASE 1

trash can: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

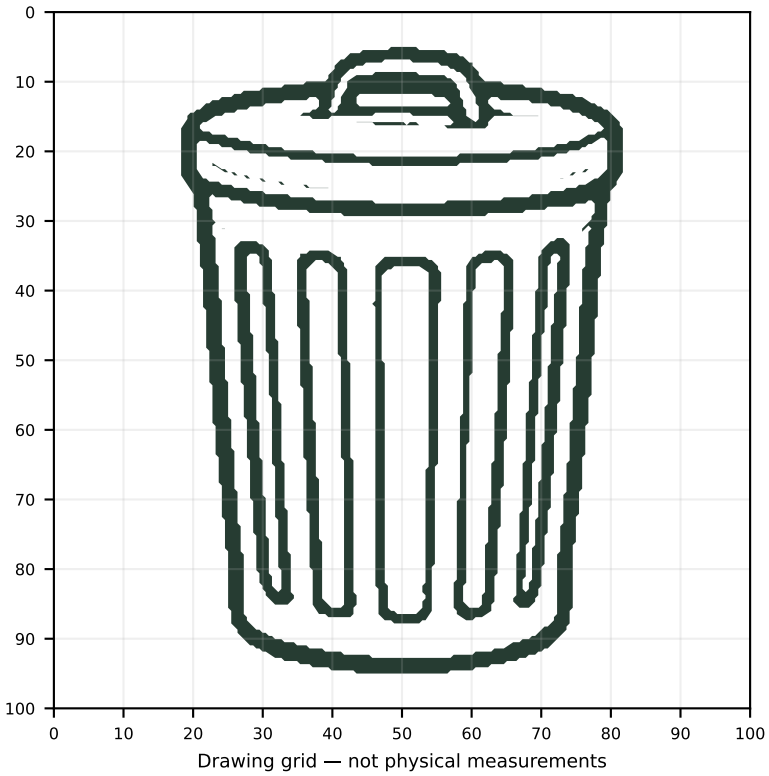

METHOD: Draw a slightly tapered cylinder for the body, wider at the top and narrower at the bottom. Add an elliptical lid on top with a small arched handle centered above it. Draw evenly spaced vertical lines down the body to represent ribs. Outline the lid rim and body base with thicker contour lines to finish the silhouette.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

trash can: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

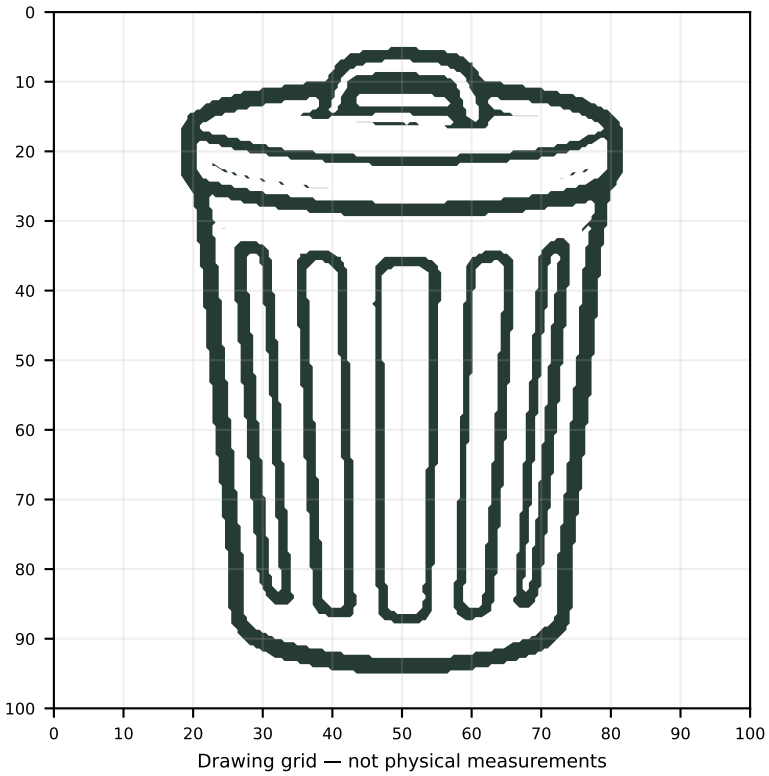

METHOD: Draw a slightly tapered cylinder for the body, wider at the top and narrower at the bottom. Add an elliptical lid on top with a small arched handle centered above it. Draw evenly spaced vertical lines down the body to represent ribs. Outline the lid rim and body base with thicker contour lines to finish the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Trash Can — Free Practice Sheets

REFERENCE / CASE 3

trash can: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

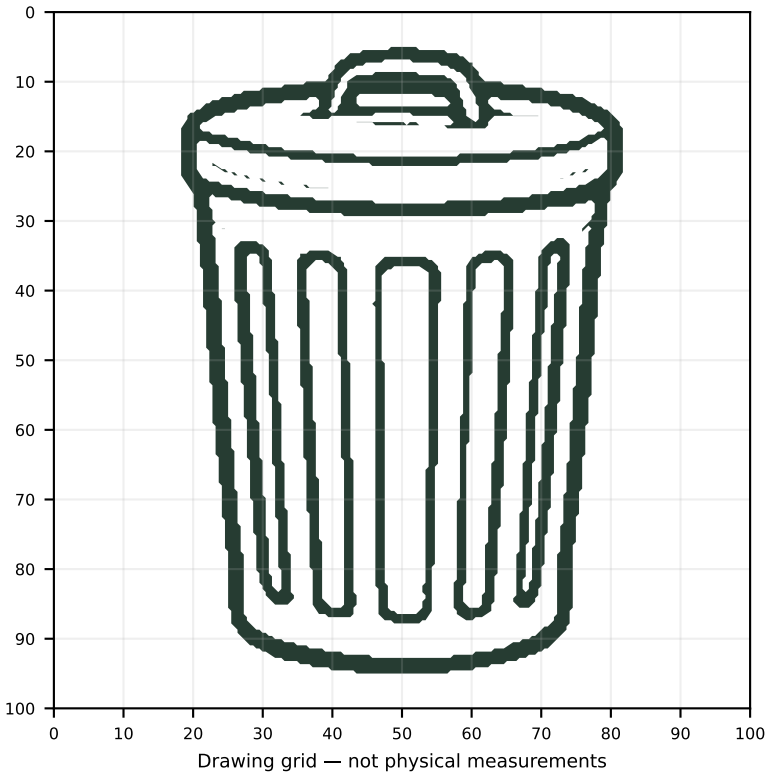

METHOD: Draw a slightly tapered cylinder for the body, wider at the top and narrower at the bottom. Add an elliptical lid on top with a small arched handle centered above it. Draw evenly spaced vertical lines down the body to represent ribs. Outline the lid rim and body base with thicker contour lines to finish the silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Trash Can — Free Practice Sheets

REFERENCE / CASE 4

trash can: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a slightly tapered cylinder for the body, wider at the top and narrower at the bottom. Add an elliptical lid on top with a small arched handle centered above it. Draw evenly spaced vertical lines down the body to represent ribs. Outline the lid rim and body base with thicker contour lines to finish the silhouette.
Use the separate practice sheet before checking the answer.
