How to Draw Knight Helmet — Free Practice Sheets

REFERENCE / CASE 1

knight helmet: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

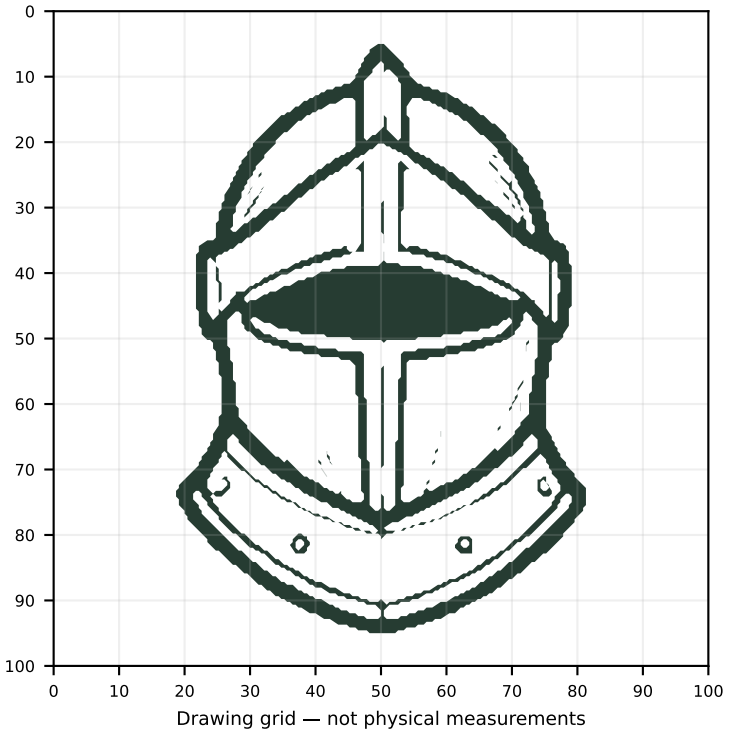

METHOD: Draw a large rounded dome shape for the top of the helmet. Add a central vertical ridge line running from the top of the dome down to the visor area. Draw a wide, dark horizontal slit across the middle for the visor opening. Add a flared, curved neck guard plate below the visor and mark small rivet circles along its edge.
Use the separate practice sheet before checking the answer.
