How to Draw Tent — Free Practice Sheets

REFERENCE / CASE 1

tent: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

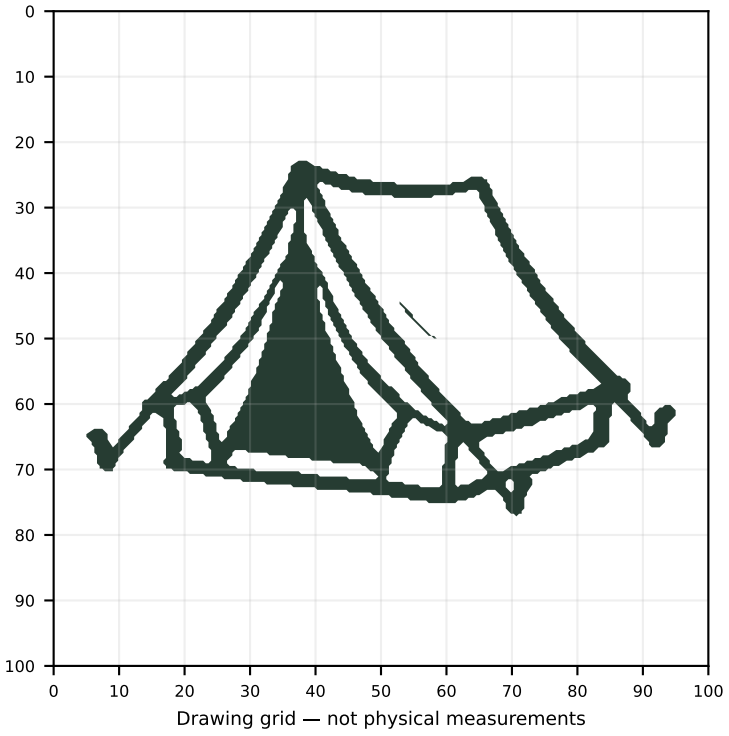

METHOD: Draw a wide triangular A-frame outline for the tent body. Add a dark triangular door flap in the center front. Draw short guy lines extending outward from the lower corners. Add a base line along the bottom to ground the tent.
Use the separate practice sheet before checking the answer.

How to Draw Tent — Free Practice Sheets

REFERENCE / CASE 2

tent: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

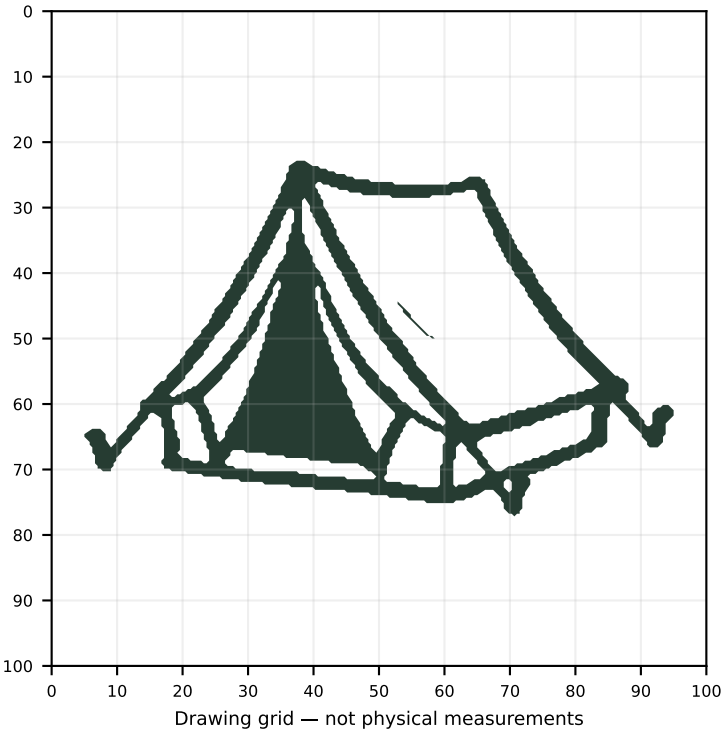

METHOD: Draw a wide triangular A-frame outline for the tent body. Add a dark triangular door flap in the center front. Draw short guy lines extending outward from the lower corners. Add a base line along the bottom to ground the tent.
Use the separate practice sheet before checking the answer.

How to Draw Tent — Free Practice Sheets

REFERENCE / CASE 3

tent: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

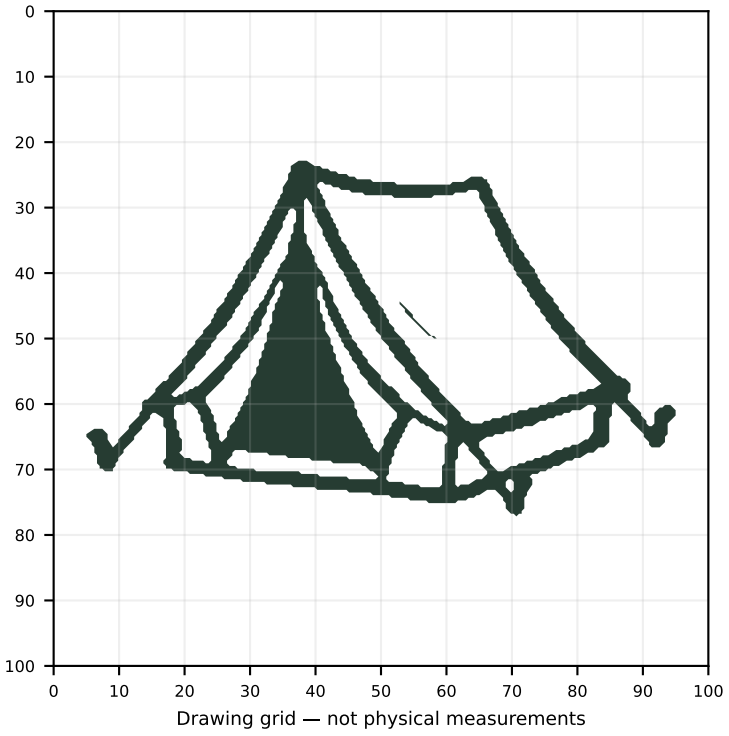

METHOD: Draw a wide triangular A-frame outline for the tent body. Add a dark triangular door flap in the center front. Draw short guy lines extending outward from the lower corners. Add a base line along the bottom to ground the tent.
Use the separate practice sheet before checking the answer.

How to Draw Tent — Free Practice Sheets

REFERENCE / CASE 4

tent: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a wide triangular A-frame outline for the tent body. Add a dark triangular door flap in the center front. Draw short guy lines extending outward from the lower corners. Add a base line along the bottom to ground the tent.
Use the separate practice sheet before checking the answer.
