# How to Draw Bracelet — Free Practice Sheets

### REFERENCE / CASE 1

bracelet: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

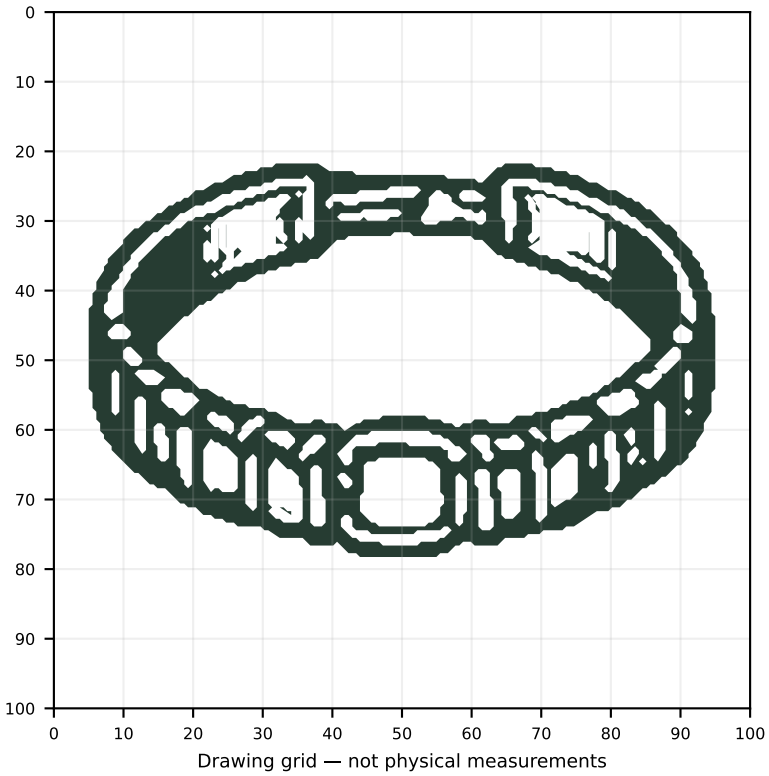

METHOD: Draw a wide oval to establish the bracelet's circular band and perspective. Add evenly spaced vertical lines around the lower half to create segmented links. Place a rounded rectangular charm at the front center of the band. Leave a gap at the top of the loop and add short end caps to indicate the clasp opening.
