How to Draw Refrigerator — Free Practice Sheets

REFERENCE / CASE 1

refrigerator: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

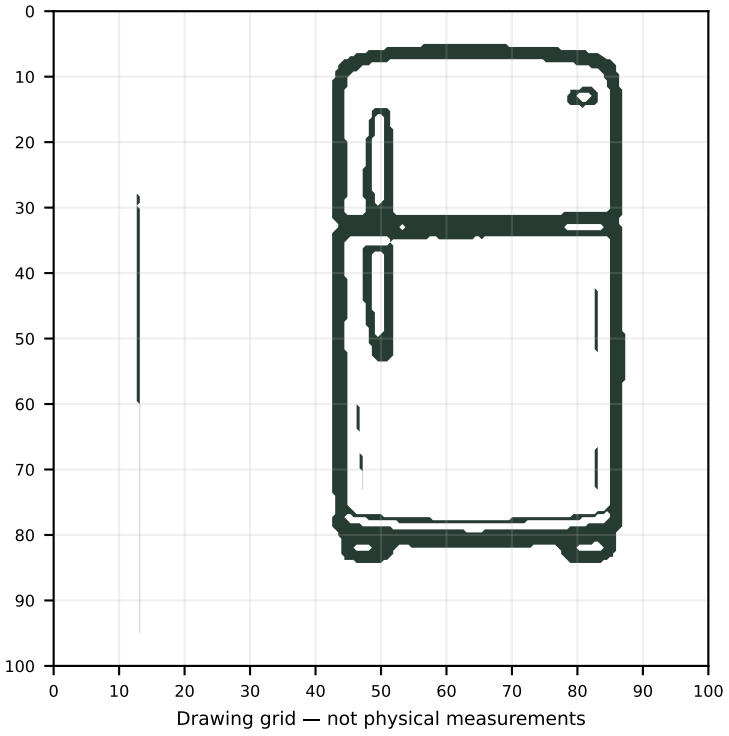

METHOD: Draw a tall rounded rectangle for the overall body outline. Add a horizontal line across the middle to separate the freezer and fridge doors. Draw two vertical handle shapes on the left side of each door section. Add small feet at the bottom and a small rectangular detail on the upper right door.
Use the separate practice sheet before checking the answer.

How to Draw Refrigerator — Free Practice Sheets

REFERENCE / CASE 2

refrigerator: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

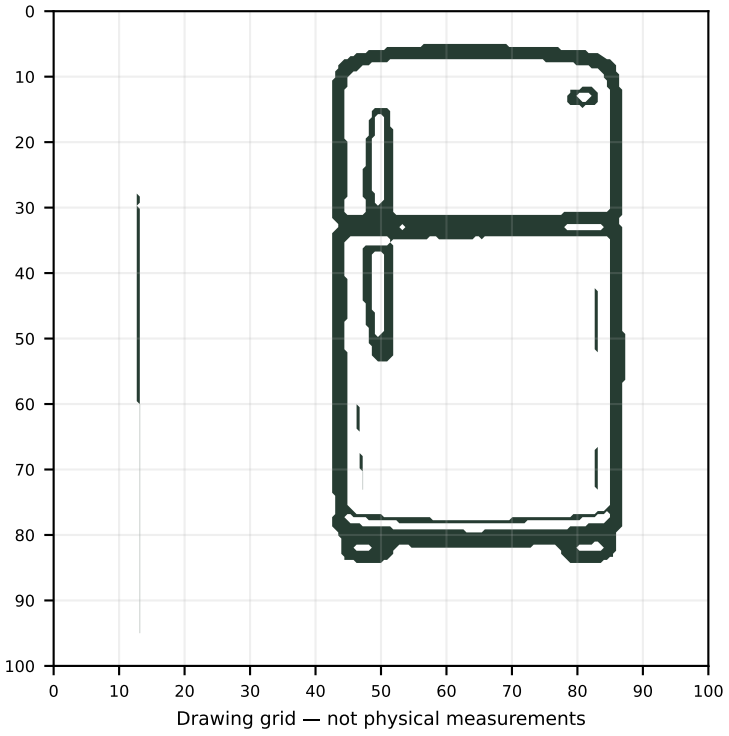

METHOD: Draw a tall rounded rectangle for the overall body outline. Add a horizontal line across the middle to separate the freezer and fridge doors. Draw two vertical handle shapes on the left side of each door section. Add small feet at the bottom and a small rectangular detail on the upper right door.
Use the separate practice sheet before checking the answer.
