How to Draw Sombrero — Free Practice Sheets

REFERENCE / CASE 1

sombrero: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

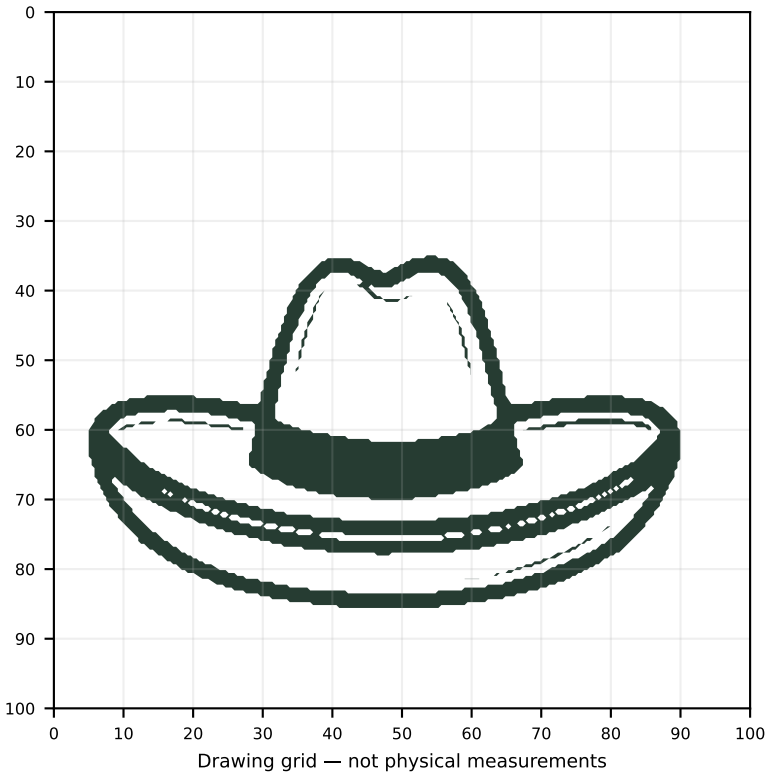

METHOD: Draw a large flattened oval for the wide brim, then add a second inner oval line to show the upturned rim thickness. Draw the tall rounded crown rising from the center of the brim, with a slight dip at the top center. Add a thick dark band around the bottom of the crown where it meets the brim. Outline the brim edge with a bold contour and add a few simple highlight lines on the crown and brim for form.
Use the separate practice sheet before checking the answer.
