How to Draw Sombrero — Free Practice Sheets

ANSWER / CASE 1

sombrero: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

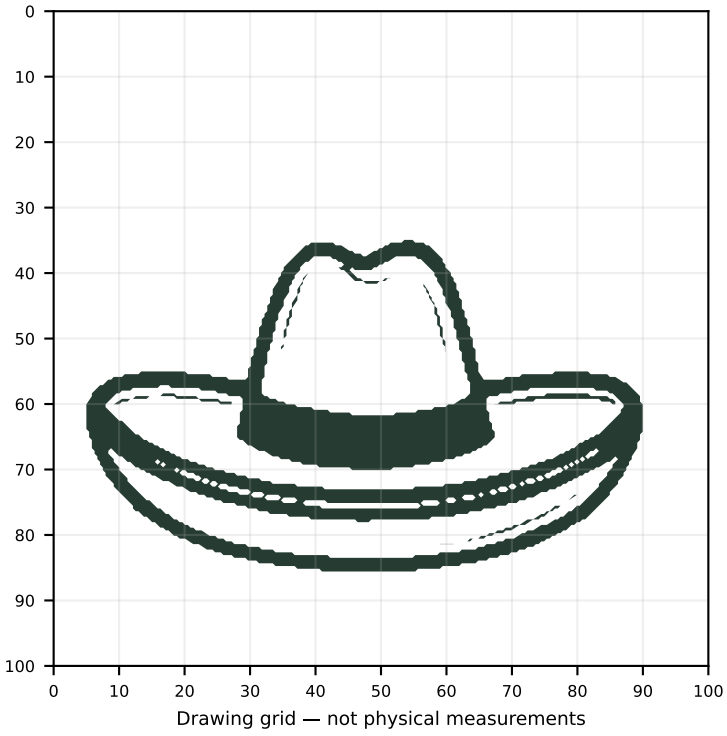

ANSWER: Example solution: preserve wide circular brim with an upturned outer edge, tall rounded crown with a central dip at the top, dark decorative band around the base of the crown. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large flattened oval for the wide brim, then add a second inner oval line to show the upturned rim thickness.
2. Draw the tall rounded crown rising from the center of the brim, with a slight dip at the top center.
3. Add a thick dark band around the bottom of the crown where it meets the brim.
4. Outline the brim edge with a bold contour and add a few simple highlight lines on the crown and brim for form.
