How to Draw Easter Egg — Free Practice Sheets

ANSWER / CASE 1

easter egg: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

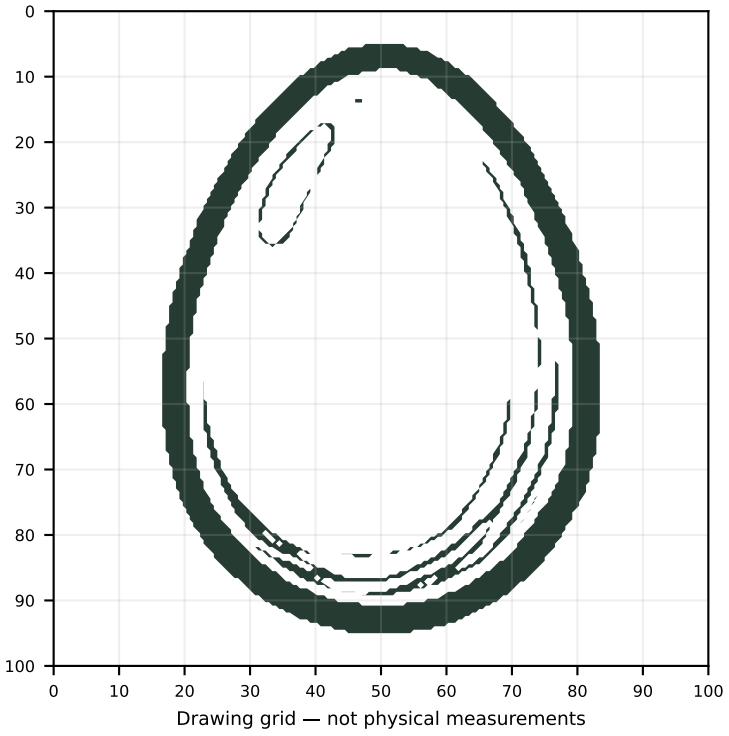

ANSWER: Example solution: preserve oval egg shape with a thick black outline, small oval highlight near the top left, curved contour lines along the lower right interior. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large oval with a slightly narrower top and wider bottom to form the egg silhouette.
2. Add a thick outline around the oval to define the egg's edge.
3. Place a small oval highlight near the upper left area of the egg.
4. Draw several curved lines following the lower right contour to suggest volume.
