How to Draw Racquet — Free Practice Sheets

REFERENCE / CASE 1

racquet: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

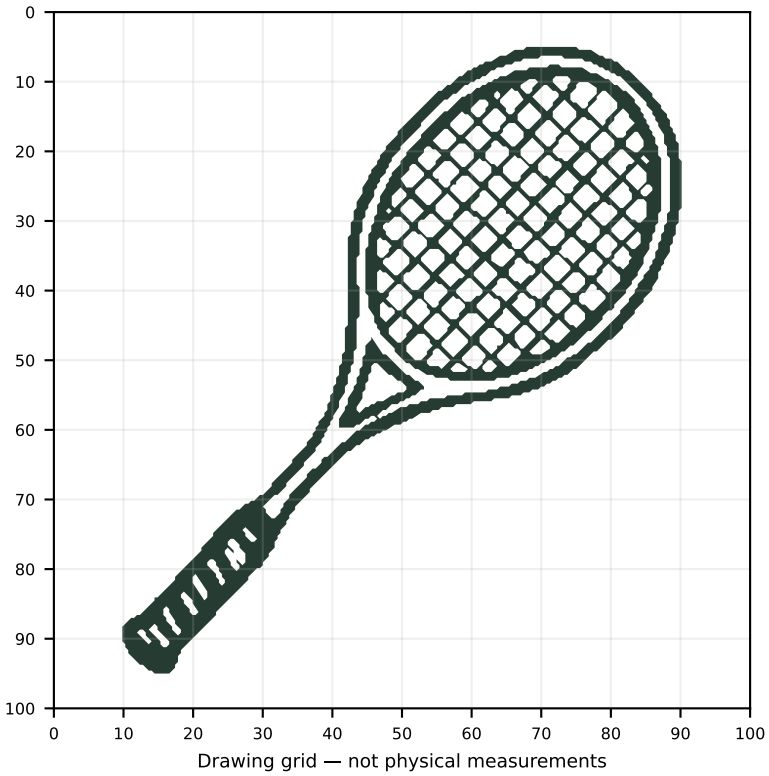

METHOD: Draw a large oval for the racquet head. Draw a smaller inner oval to form the frame thickness. Fill the inner oval with a diagonal crosshatch grid for the strings. Draw a long tapered handle from the bottom of the head, add a throat triangle, and mark grip wrap lines near the end.
Use the separate practice sheet before checking the answer.

How to Draw Racquet — Free Practice Sheets

REFERENCE / CASE 2

racquet: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

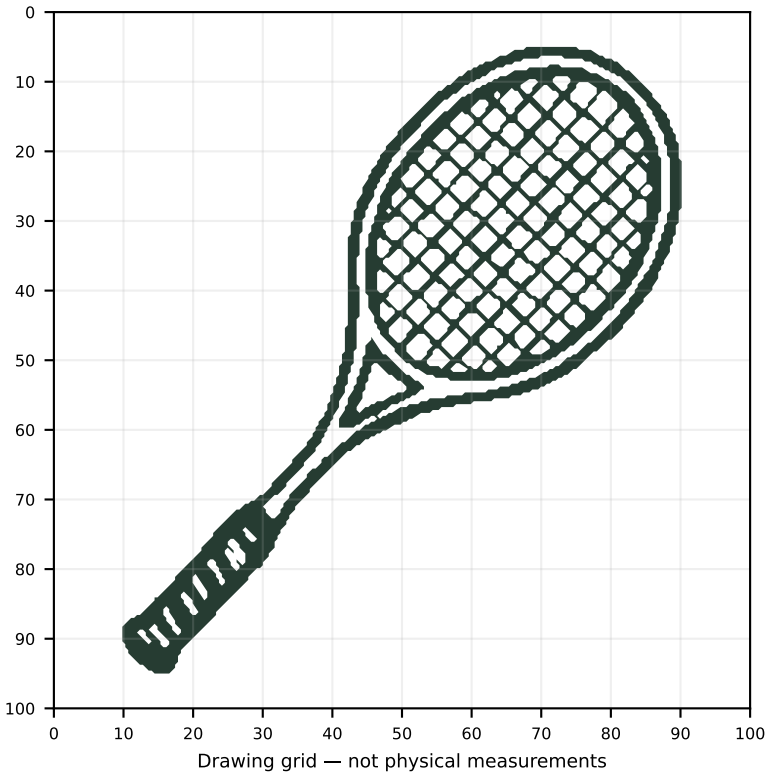

METHOD: Draw a large oval for the racquet head. Draw a smaller inner oval to form the frame thickness. Fill the inner oval with a diagonal crosshatch grid for the strings. Draw a long tapered handle from the bottom of the head, add a throat triangle, and mark grip wrap lines near the end.
Use the separate practice sheet before checking the answer.

How to Draw Racquet — Free Practice Sheets

REFERENCE / CASE 3

racquet: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

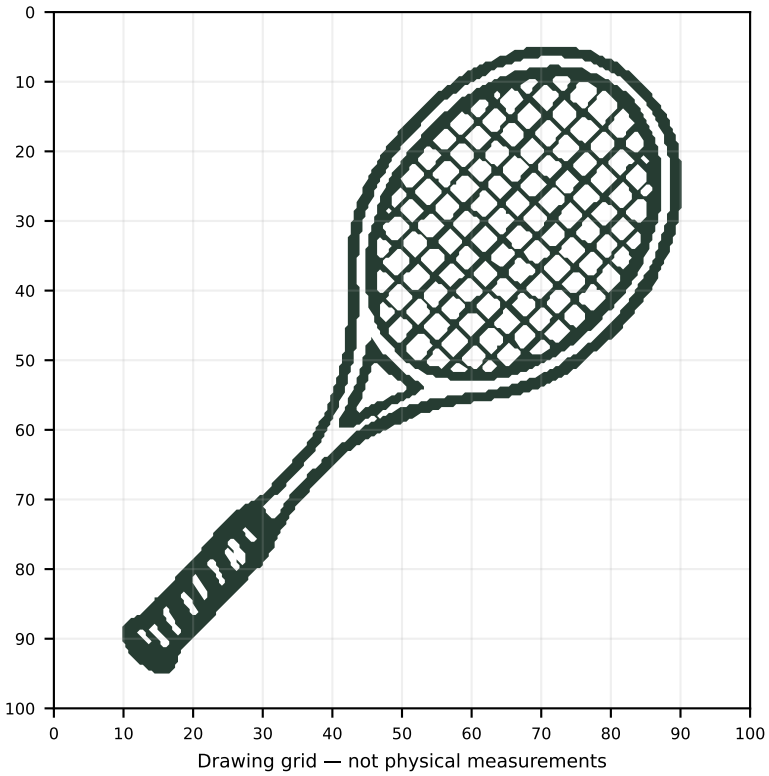

METHOD: Draw a large oval for the racquet head. Draw a smaller inner oval to form the frame thickness. Fill the inner oval with a diagonal crosshatch grid for the strings. Draw a long tapered handle from the bottom of the head, add a throat triangle, and mark grip wrap lines near the end.
Use the separate practice sheet before checking the answer.

How to Draw Racquet — Free Practice Sheets

REFERENCE / CASE 4

racquet: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large oval for the racquet head. Draw a smaller inner oval to form the frame thickness. Fill the inner oval with a diagonal crosshatch grid for the strings. Draw a long tapered handle from the bottom of the head, add a throat triangle, and mark grip wrap lines near the end.
Use the separate practice sheet before checking the answer.
