How to Draw Quilt — Free Practice Sheets

ANSWER / CASE 1

quilt: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

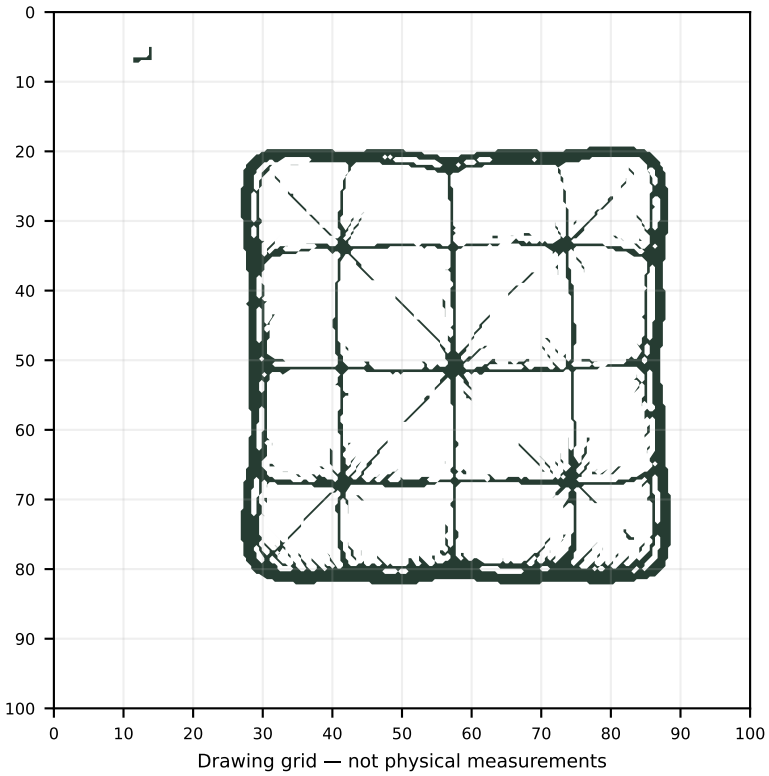

ANSWER: Example solution: preserve grid of squares formed by intersecting seam lines, stitched seam marks along the grid lines, puffy rounded outer edge suggesting folded or bound edges. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large rounded square outline for the quilt's outer boundary.
2. Draw two vertical and two horizontal lines across the interior to create a 3x3 grid of squares.
3. Add short stitch marks along the grid lines and outer edge.
4. Add diagonal quilting lines and small tufting marks at intersections to suggest padding.

How to Draw Quilt — Free Practice Sheets

ANSWER / CASE 2

quilt: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

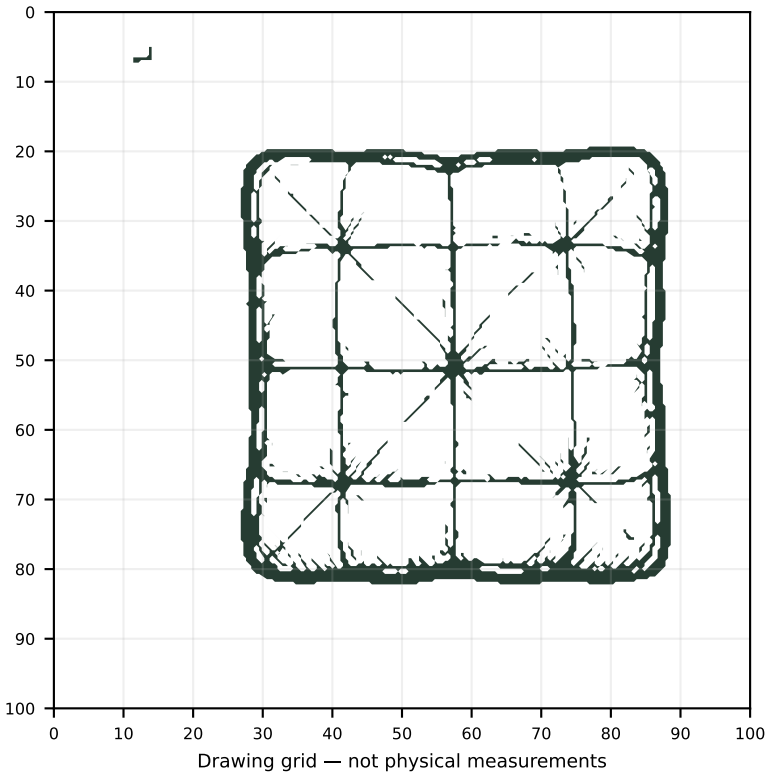

ANSWER: Example solution: preserve grid of squares formed by intersecting seam lines, stitched seam marks along the grid lines, puffy rounded outer edge suggesting folded or bound edges. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large rounded square outline for the quilt's outer boundary.
2. Draw two vertical and two horizontal lines across the interior to create a 3x3 grid of squares.
3. Add short stitch marks along the grid lines and outer edge.
4. Add diagonal quilting lines and small tufting marks at intersections to suggest padding.

How to Draw Quilt — Free Practice Sheets

ANSWER / CASE 3

quilt: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

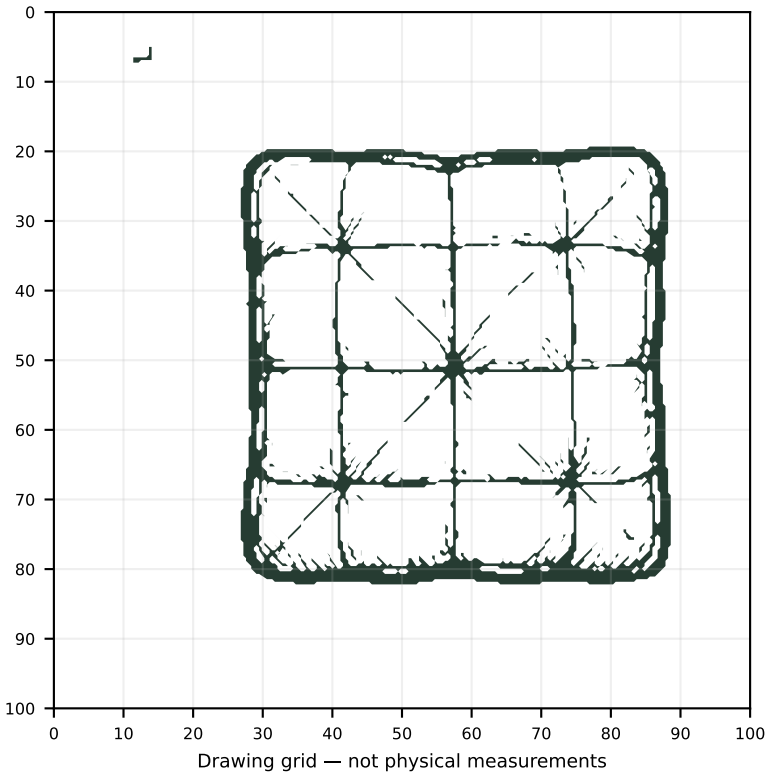

ANSWER: Example solution: preserve grid of squares formed by intersecting seam lines, stitched seam marks along the grid lines, puffy rounded outer edge suggesting folded or bound edges. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large rounded square outline for the quilt's outer boundary.
2. Draw two vertical and two horizontal lines across the interior to create a 3x3 grid of squares.
3. Add short stitch marks along the grid lines and outer edge.
4. Add diagonal quilting lines and small tufting marks at intersections to suggest padding.

How to Draw Quilt — Free Practice Sheets

ANSWER / CASE 4

quilt: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve grid of squares formed by intersecting seam lines, stitched seam marks along the grid lines, puffy rounded outer edge suggesting folded or bound edges. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large rounded square outline for the quilt's outer boundary.
2. Draw two vertical and two horizontal lines across the interior to create a 3x3 grid of squares.
3. Add short stitch marks along the grid lines and outer edge.
4. Add diagonal quilting lines and small tufting marks at intersections to suggest padding.
