How to Draw Champagne Glass — Free Practice Sheets

REFERENCE / CASE 1

champagne glass: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

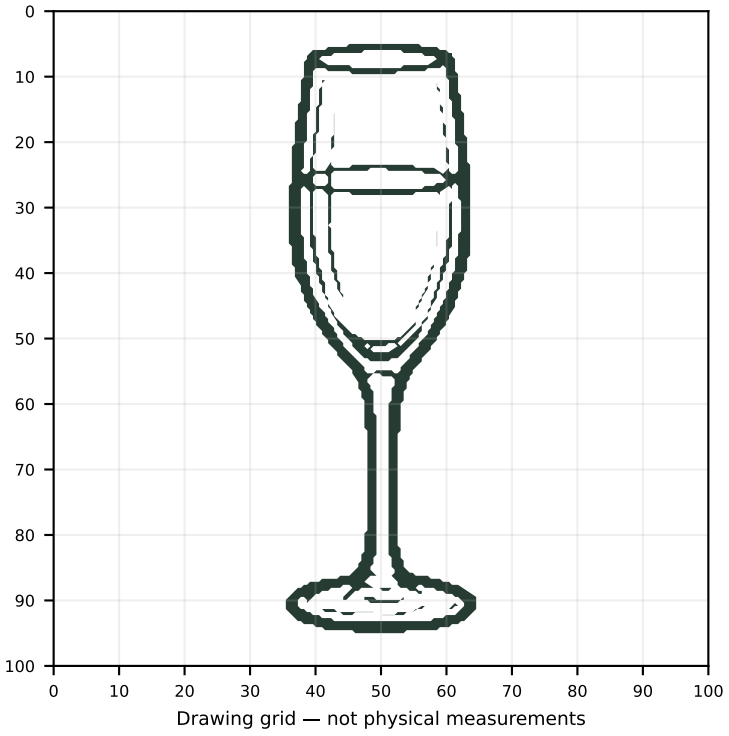

METHOD: Draw a tall, narrow U-shaped bowl outline with a slightly flared rim. Add a horizontal line across the bowl to indicate the liquid level. Draw a thin vertical stem extending down from the bottom of the bowl. Attach a flat oval base at the bottom of the stem.
Use the separate practice sheet before checking the answer.
