How to Draw Firefighter Helmet — Free Practice Sheets

REFERENCE / CASE 1

firefighter helmet: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

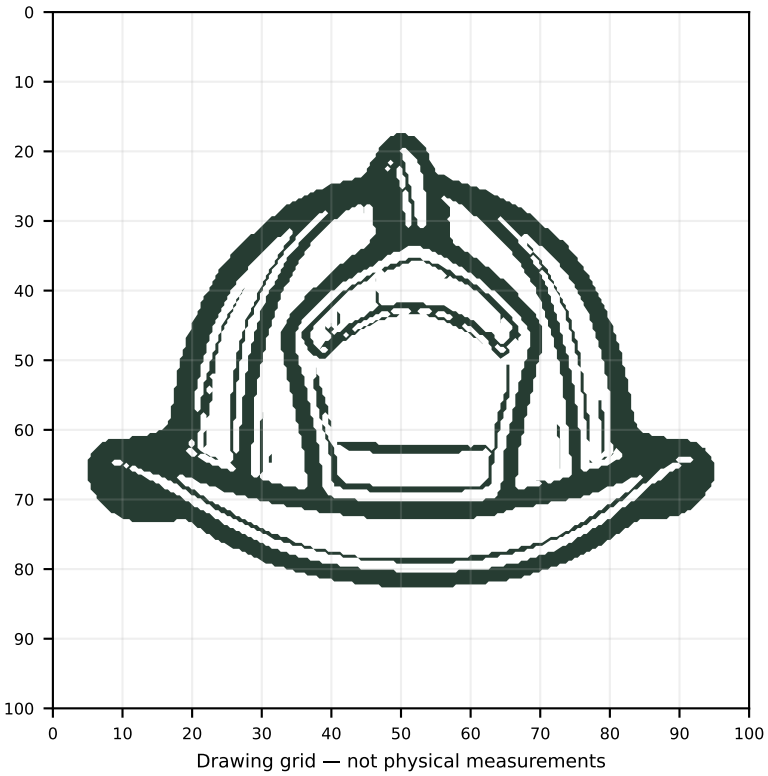

METHOD: Draw a wide, gently curved brim as the base of the helmet. Add a raised dome crown above the brim, with a central vertical ridge/crest. Draw the front badge/shield outline centered on the dome. Add interior contour lines on the dome and badge to show paneling and structure.
Use the separate practice sheet before checking the answer.
